# CHAIRMAN'S MESSAGE

## DEAR SHAREHOLDERS,

It is with great pride and optimism that I present our Annual Report for the Financial Year 2023-24. This year has been a landmark period for our company as we navigated a of successful transition and emerged stronger, more resilient, and ever committed to delivering unparalleled experiences across various geographies in clean, safe and happy environments.

## INDIAN AMUSEMENT PARK INDUSTRY

The Indian amusement park industry, while still in its nascent stage, is brimming with untapped potential, particularly in underserved areas. With shifting demographics, evolving social dynamics, and a growing economy, the demand for amusement parks is expected to remain strong. Unlike the global market, where theme parks dominate, India's industry is currently led predominantly by water parks. There is a clear need for high-quality entertainment, especially in Tier 2 and Tier 3 cities, where the opportunity to deliver unparalleled excitement and joy is substantial.

The tide is turning as the government begins to recognize the industry's significance, opening doors for collaboration to provide citizens with exceptional recreational amenities. This shift not only promises to elevate the guest experience but also paves the way for creating a significant number of jobs, both directly and indirectly, thereby fueling economic growth and societal progress.

## PERFORMANCE REVIEW

At Imagicaaworld, we experienced a steady recovery in our operations post-COVID during FY23, marking our first full year of unrestricted activity, with guests enthusiastically returning to recreational experiences. Building on a strong foundation, we achieved a 4% growth in revenue in FY24. Our revenue mix of 65% from ticketing and 35% from non-ticketing sources stands as one of the best in the country. Additionally, Novotel Imagicaa reached a record-high occupancy rate of 51.6% in FY24, reflecting the growing demand for leisure and overall trust in our offerings.

## STRATEGIC INITIATIVES

This year has been pivotal for our Company, marked by several strategic initiatives aimed at positioning us as a leading player in the industry and enhancing value for all our stakeholders.

Firstly, we announced the acquisition of four high-quality parks operated by the Malpani Group-owned entity, Giriraj Enterprises. This includes the Wet N' Joy brand, comprising two water parks and one amusement park, along with Sai Teerth, a religious theme park, located in Lonavala and Shirdi, Maharashtra. These additions significantly strengthen our existing portfolio of parks. Secondly, we recently announced the acquisition of Malpani Parks Indore Private Limited ("MPIPL"), which has an under-construction water park in Indore, with MPIPL owning land parcels totaling 26.5 acres.

Lastly, we secured a significant PPP project in Ahmedabad after a successful bid to establish a landmark concept at the iconic Sabarmati Riverfront, spread across 11 acres of land in the heart of the city.

These projects will not only solidify our presence in Maharashtra but also mark our brand's entry into central India with Indore, and further expand our footprint in Gujarat with the Ahmedabad foray.

## FUND RAISING

To support our ambitious expansion plans and the strategic acquisitions/projects we have undertaken, the company has obtained shareholder approval for fund-raising through a Qualified Institutional Placement (QIP) mechanism, with an amount not exceeding ₹600 crores. This capital infusion will be pivotal in financing our recent acquisitions, including the four high-quality parks from the Malpani Group, the expansion in Indore, and the PPP project at the Sabarmati

Riverfront in Ahmedabad. By raising these funds, we aim to strengthen our financial foundation, enabling us to execute these projects seamlessly and deliver long-term value to our shareholders and stakeholders.

## GROWTH AHEAD

As we look to the future, our company is poised for an exciting phase of growth and expansion, building on the momentum of our recent strategic initiatives. Our growth strategy is clear and ambitious: we are committed to setting up a new park every year, expanding our footprint, and bringing our quality offerings to new regions across the country. This consistent expansion will not only solidify our position as the largest amusement park operator in India but also ensure that our brands reach every corner of the nation, delivering joy and unforgettable experiences to millions of visitors.

With a strong financial foundation, a robust portfolio of parks, and a clear vision for the future, we are confident in our ability to achieve sustained growth and create lasting value for our shareholders and stakeholders. The road ahead is filled with opportunities, and we are excited to lead the industry with innovation, quality, and a commitment to excellence.

## MANAGING DIRECTOR'S MESSAGE

### DEAR SHAREHOLDERS,

As I reflect on the past year, I am filled with immense satisfaction and happiness regarding your Company's accomplishments and the strong foundations we are laying for future growth and expansion. The Financial Year 2023-24 has been a pivotal and transformative period for us, marked by strategic realignment and focused efforts to elevate every aspect of our operations. Our focus has been on creating operational efficiencies across all our parks, ensuring that every facet of our operations is finely tuned to deliver an exceptional experience. Our priority has been to enhance guest experiences while driving our ambitious expansion across India, with the goal of adding at least one new park each year.

By streamlining processes and adopting new technologies, we have not only improved the efficiency of our operations but also enriched the overall experience for our guests, ensuring that every visit is a memorable one and adds to the fun for families and friends. Simultaneously, our

expansion efforts have been focused on extending our reach, bringing the Imagicaaworld experience to new regions and broadening our impact across India.

### Technological Advancements

At Imagicaaworld, our relentless focus on enhancing the guest experience is driven by our commitment to leveraging technology. We continuously integrate cutting-edge innovations to enrich every aspect of our visitors' journeys. From introducing high-end, technology-driven attractions to refining our website for a smoother booking process, we are dedicated to creating exceptional experiences. With our strong in-house proprietary tech tools, we are gaining a deeper understanding of our guests to serve them better. Several new developments are underway in this direction, and over the next couple of years, we will further strengthen these efforts.

### MARKETING INITIATIVES

Our marketing initiatives this year have significantly bolstered our brand visibility and guest engagement with a sharper

focus and more cost-effective reach. We embraced a multi-channel approach, leveraging digital platforms, social media, and on-ground activations to connect with our audience in more meaningful ways. Our campaigns have not only attracted new visitors but also deepened the loyalty of our existing customer base. We have concentrated on creating personalized and memorable experiences, ensuring that every guest interaction reinforces our brand's promise of fun and adventure.

### GROWTH INITIATIVES

This year, we have introduced several exciting growth initiatives at Imagicaaworld designed to significantly enhance our visitor experience and drive growth. We proudly launched a spectacular musical fountain show at our theme park, which not only extends the time guests spend at the park in the evening but also boosts opportunities for non-ticketing revenue streams. We have seen increased spending in food and beverage sales as well as merchandise. Additionally, we unveiled six new rides at Imagicaa Water Park, catering to guests of all ages and injecting a fresh sense of excitement into the park. These new attractions are expected to yield positive results in the coming seasons and enhance our overall footfall capacity. We will continuously introduce new attractions and enhancements as needed to ensure we consistently offer fresh and engaging experiences. This year's initiatives aim to increase ride and attraction options, improve water park capacity, and enhance the theme park experience, all in line with our goal of further strengthening the positioning of our Brands.

### WAY FORWARD

Looking ahead, we have announced a range of strategic initiatives designed to consolidate our presence across Maharashtra and expand into new markets such as Indore and Ahmedabad. Our innovative approach has positioned us as pioneers in outdoor destination experiences, with a diverse portfolio that includes large-format theme parks, amusement parks, multi-sized water parks, and a religious theme park, along with plans for an upcoming entertainment destination.

Our extensive experience and the dedicated efforts of our team fuel our confidence in extending our offerings nationwide. We are particularly focused on expanding into Tier 1 and Tier 2 cities, where significant untapped potential exists and current offerings are limited. By collaborating with local governments, we aim to establish parks tailored to the specific market dynamics of each region, creating compelling recreational options for underserved areas.

Together, we are poised to drive growth, deliver unparalleled experiences, and capture new opportunities, reinforcing our position as a leading player in the amusement park industry. We are eager to embark on this journey and are grateful for the ongoing support of our stakeholders as we continue to achieve new milestones.

## INTEGRATION OF ALL PARKS

This is a major initiative by the Malpani Group to consolidate its portfolio of outdoor entertainment parks under the listed entity, Imagicaaworld Entertainment Limited. It is a strategic effort to expand the geographical presence. This move will help streamline operational efficiencies and enhance focus on the parks business by consolidating all parks under one company.

The Wet'n Joy parks, developed by the group with their deep expertise, are extremely popular in their respective catchment areas. The master planning of the parks has been carried out by top-tier architects, with many rides imported from reputed suppliers in the US, Canada, Italy, Germany, and other countries.

The integration would enable the sharing of best practices across parks, common purchasing practices with increased bargaining power, enhancement in retail and merchandise offerings, joint marketing efforts, among other advantages.

This move is a cornerstone of the Company's vision to emerge as the leading and most profitable name in the entertainment sector across India.

The O&M agreement was executed to operate and manage the Park Business Undertaking of Giriraj Enterprises in the interim to the closure of the Business Transfer Agreement effective from April 01, 2024.

**Purchase of under construction water park based at Indore owned by Malpani Parks Indore Private Limited**

On February 08, 2024, the Audit Committee and Board of Directors of the Company and on March 18, 2024, the Members of the Company had approved the acquisition of under construction water park at Indore from Malpani Parks Indore Private Limited ("MPIPL"), a related party for an aggregate consideration not exceeding ₹ 1,40,00,00,000/- and leasehold rights on rental basis in the land parcels pertaining to Indore Park Project of an area admeasuring approximately 18 acres situated at Village Paliya Haidar, off Indore – Ujjain Road, located at Indore in Madhya Pradesh ("Indore Park Project Land Parcels") against payment of annual lease rentals of an amount of ₹ 3,80,00,000/- (Rupees Three Crores Eighty Lakhs Only) and interest free security deposit to be kept with MPIPL of an amount of ₹ 1,00,00,000/- (Rupees One Crore Only) ("Earlier Transaction").

The above Earlier Transaction, initially set for completion in either FY 2023-24 or FY 2024-25, and the documentation was not concluded. Subsequently, few additional points of consideration have emerged i.e.: 1) The land lease tenure was previously approved as "up to 15 years". However, discussion with government authorities indicated a minimum 30 year land lease period for consideration under Tourism policy, which would make transaction costs unviable for registration

of such long lease. 2) Initial approvals stand in name of MPIPL and transfer of the same to the Company would be practically challenging.

Therefore, it was proposed to acquire the project entity itself which owns all the land viz., MPIPL vide 100% purchase of the equity from existing shareholders of MPIPL against payment of consideration of an aggregate sum of ₹ 55,00,00,000/- (Rupees Fifty Five Crore Only) as of the completion/closing date as per the definitive agreements/ Share Purchase Agreement and the same was approved by the Audit Committee and Board of Directors of the Company at their respective meetings held on June 25, 2024 which is subject to the shareholders' approval, being material related party transaction, sought through postal ballot notice dated June 25, 2024. Post completion of this transaction MPIPL shall become Wholly Owned Subsidiary ("WOS") of the Company. Subsequent to the aforementioned transaction, the Company would inject funds into MPIPL (WOS) through intercorporate deposit, loan, or debt, and potentially through other instruments or mechanisms as determined by the Board. These funds, not exceeding ₹ 153,00,00,000/- (Rupees One Hundred and Fifty Three Crore Only), are intended to be utilized for various purposes, including the repayment of unsecured loans, creditors, and liabilities of MPIPL. Thus the total revised project cost of Indore Park Project i.e. acquisition of MPIPL equity shares along with its assets and liabilities from the shareholders of MPIPL shall not exceed ₹ 208,00,00,000/- (Rupees Two Hundred and Eight Crore Only). ("Revised Proposed Transaction")

As on date of this Report, the Shareholders' approval is awaited for the aforesaid transaction and the result of the approval of Shareholders shall be declared on July 31, 2024. Post approval of Shareholders the parties to the transaction would enter into the definitive agreement as the Board may deem fit and appropriate in the interests of the Company.

## MANAGEMENT DISCUSSION AND ANALYSIS

### AN OVERVIEW OF THE INDUSTRY

#### Macro Economy Outlook

The global economy is navigating a complex environment marked by both challenges and opportunities. Showing significant resilience, it continues a steady but gradual recovery, though with regional differences. The International Monetary Fund (IMF) reported that global growth sustained a modest rate of 3.2% in Current Year (CY) 2023. Factors such as ongoing geopolitical conflicts, inflation, China's sluggish recovery, volatility in energy and food markets, and high interest rates have contributed to the slowdown in global economic growth.

Additionally, the crisis in the Red Sea route has triggered the largest diversion of global trade in decades, leading to increased logistical costs, shipment delays, elevated fuel and commodity prices, and widespread industry disruptions.

Despite these global challenges, India has demonstrated remarkable resilience. This is reflected in several high-frequency indicators, including strong Goods and Services Tax (GST) collections, increased E-way bill transactions, robust bank credit growth, and a positive Purchasing Managers' Index (PMI). While merchandise exports have faced hurdles, service exports have remained stable, with recent data indicating promising growth.

#### Global Parks Industry Overview

The Amusement Parks Market was valued at USD 74.2 billion in 2023 and is expected to grow at a CAGR of over 5.5% from 2024 to 2032. This expansion is largely due to the flourishing global tourism industry and increased urbanization. According to the UNWTO World Tourism Barometer, international tourism in 2023 achieved 88% of pre-pandemic levels, with around 1.3 billion international arrivals. Full recovery is predicted by the end of 2024, driven by residual demand, better air connectivity, and a strong rebound in Asian markets and destinations.

As global tourism continues to rise, theme parks are becoming a crucial part of the travel ecosystem. Urbanization has led to a growing population and higher spending on urban leisure activities. Many amusement parks are strategically positioned close to downtown areas to take advantage of this trend, drawing in both locals and tourists. Additionally, emerging markets with an expanding middle class are experiencing an increased demand for entertainment options, which is further boosting the amusement parks market. The growth is also propelled by the proliferation of indoor entertainment centres, which offer a controlled

environment that mitigates the impact of seasonal changes, ensuring year-round accessibility to entertainment regardless of weather conditions.

Based on product, the market is divided into theme parks, water parks, adventure parks, and zoo parks. In 2023, the theme parks segment led the market with dominance. This dominance is attributed to continuous innovation in attractions and experiences, leveraging cutting-edge technology such as VR to enhance visitor engagement. The growth of the experience economy also boosts the demand for memorable leisure activities, making theme parks attractive destinations for tourists and families.

Moreover, globalization and urbanization have increased spending on urban leisure, with parks strategically located near densely populated areas. Partnerships with popular immersive storytelling and intellectual properties further enhance their appeal. Additionally, the recovery of global tourism and rising disposable incomes are expected to sustain growth in the theme parks industry.

#### Indian Park Industry Overview

The Indian amusement park industry is experiencing robust growth, with an annual growth rate of 15%, and is projected to achieve a market size of ₹ 25,000 Crore by 2030, according to the Indian Association of Amusement Parks and Industries. Currently, there are approximately 300 amusement parks and 2,500 indoor amusement centres across India. However, the industry is predominantly fragmented, characterized by numerous small and regional players. Many of these players face challenges in maintaining high-quality rides and delivering exceptional guest experiences.

In contrast to global trends, where theme parks dominate the market, the Indian market is predominantly led by water parks. These water parks attract a significant portion of the consumer base due to their appeal in the Indian climate and cultural preferences for water-based recreational activities.

Looking ahead, the Indian amusement park sector is poised for further expansion driven by increasing disposable incomes, urbanization, and rising tourism. The industry is expected to witness consolidation and upgrading of facilities as larger players aim to enhance standards and cater to evolving consumer preferences for immersive and high-quality entertainment experiences. There is a rise of religious tourism in India with the government also developing tourism corridors across pilgrimage centres.

**Revenue Mix**

In India, the revenue from parks is still highly dominated by admission tickets forming about 77% of the total revenues. Internationally, admission tickets revenues account for about ~50% of the total revenue. The share of F&B, retailing and merchandise sales is low in India. However, this mix is changing and the revenue mix is expected to be aligned to international trend.

**Hotel Industry Overview**

The hospitality market in India is experiencing significant growth due to the country’s rich culture and diversity, which attract global visitors. The service sector, particularly known for spiritual tourism, has seen a rise in domestic travel, driven by a growing middle class and increased disposable income.

The industry saw an increase in occupancy rates ranging from 60-67% compared to the previous year. Despite this, average rates (ARR) have fully recovered, showing a significant rise of 37-39% from the prior year. Consequently, Revenue per Available Room (RevPAR) has seen a remarkable growth of 89-91% in the current year compared to the previous year.

India’s reputation as a premier destination for both leisure and business travellers has positively impacted its hospitality sector. Additionally, India’s geopolitical stability, world-class infrastructure, and commitment to hosting international events further enhance its appeal as a global travel destination. These factors collectively contribute to the growth of the tourism industry, thereby strengthening the hospitality sector.

**Key Trends in the Park Industry:**

**Use of IoT Technology Improves Efficiency and Guest Experience**

Parks are leveraging innovative applications of Internet of Things (IoT) technology to boost operational efficiency and enhance customer experiences. IoT encompasses a network

of physical devices, vehicles, and other items embedded with electronics, software, sensors, actuators, and connectivity, enabling these items to connect, collect, and exchange data. Parks are utilizing beacon-enabled wristbands to gather real-time customer data, assisting parents in locating their children. Additionally, these wristbands help managers identify areas for improvement and send guests real-time information, tips, and promotions based on their location within the park.

**Virtual Reality (VR) And Augmented Reality (AR) In Amusement Parks**

Amusement parks are increasingly adopting virtual and augmented reality technologies to enhance customer experiences. Virtual reality (VR) creates a 3D, computer-generated environment that interacts with users, while augmented reality (AR) transforms the real world into a digital interface by overlaying virtual objects. Parks are incorporating these technologies into rides and theatre-based attractions, offering guests a more immersive and engaging experience.

**Increasing Investments In Thrill Roller Coaster Rides**

Parks are ramping up investments in exhilarating roller coaster rides to boost visitor footfalls. These roller coasters feature carriages that seat passengers and run on elevated railway tracks with sharp curves and steep slopes, providing an adrenaline-pumping experience

**Focus on Food and Beverage experiences**

The expansion of food and beverage experiences is a critical aspect of enhancing the overall visitor experience at theme parks. Recognizing that dining is an integral part of guests’ enjoyment and satisfaction, parks are now committed to offering a diverse and high-quality culinary journey that caters to all tastes and preferences. At Imagicaa, we provide in-house F&B options through our five world-class restaurants, catering to a wide range of customer cuisine preferences without relying on external vendors. Additionally, we offer themed dining experiences for all occasions, whether it’s Valentine’s Day, birthday celebrations, or special event festivities, ensuring that every visit is both delicious and memorable.

**Interactive entertainment Options**

Expanding interactive entertainment offerings is a strategic move to enrich the visitor experience and increase engagement at our theme park. At Imagicaa, we offer multiple Interactive entertainment options to enhance guest experience including - Parade in the evening, Welcome Dance, etc.

**Growth Drivers:**

The growth of the Indian amusement park industry is fuelled by several key drivers that are shaping its expansion and evolution:

- 1. Government support and investments:** Government support and investments coupled with the Public-Private Partnership (PPP) model, are pivotal in fostering the growth of the amusement park industry. Government initiatives aimed at promoting tourism and leisure infrastructure development provide crucial incentives for private sector investment in new parks, as well as upgrades to existing infrastructure. Through PPPs, governments can leverage private sector expertise and capital to accelerate the development of high-quality amusement parks and enhance tourism promotion efforts. This collaborative approach not only drives economic growth but also ensures sustainable and innovative development of park facilities, benefiting both visitors and local communities alike.
- 2. Rising Disposable Incomes:** Increasing disposable incomes among the Indian population are enabling more spending on leisure and entertainment activities, including visits to amusement parks.
- 3. Urbanization and Population Growth:** Rapid urbanization and population growth in major cities and urban centres are expanding the potential customer base for amusement parks. Urban dwellers seek recreational activities closer to home, driving the demand for nearby amusement parks.
- 4. Changing Consumer Preferences:** There is a notable shift in consumer preferences towards experiences over material goods. Parks offer a diverse range of experiences that cater to families, youth, and children, making them increasingly popular leisure destinations.
- 5. Tourism and Domestic Travel:** India’s growing tourism sector, coupled with an increase in domestic travel, is boosting visitor numbers to amusement parks. Tourists, both domestic and international, seek unique and memorable experiences, which parks strive to offer through themed attractions and cultural experiences.
- 6. Technological Advancements:** Adoption of advanced technologies such as Virtual Reality (VR), Augmented Reality (AR), and interactive attractions is enhancing the overall visitor experience at amusement parks. These technologies create immersive environments and interactive rides that attract consumers.
- 7. Diverse Offerings and Themed Attractions:** Amusement parks are diversifying their offerings beyond traditional

rides to include themed attractions, water parks, adventure zones, and cultural experiences. This diversity appeals to a broader audience and encourages repeat visits.

Novotel Imagicaa in a short period of operations has been able to firmly establish its niche in the leisure and social segments and has firmly established Imagicaa's position as complete family holiday destination.

**Segment Performance**

**KEY STRENGTHS OF THE COMPANY**

The Company's primary competitive strengths are set out below:

- **The Company is uniquely positioned to capitalise on the increasing propensity of Indians to spend on entertainment**

Favourable macroeconomic and demographic factors such as economic growth, rising disposable income, a growing young population, an expanding middle class and rapid urbanisation have resulted in the Indian population spending more on entertainment. With the rise in education levels and exposure to international trends, Indian consumers are willing to pay a premium for quality entertainment.

Imagicaa is the only One Stop Entertainment Destination in India, designed to provide a wholesome and 'value for money' entertainment option for guests. The Company offers entertainment options for all age groups through a variety of rides and attractions, which the Company believes are comparable to and provide the international standards of experience that leading theme parks and water parks offer globally. Company's offerings are also customised to Indian tastes. This positions Imagicaa to capitalise on the increasing number of Indian customers spending on good quality entertainment.

- **The Company is strategically located in an attractive catchment area**

Imagicaa is located off the Mumbai - Pune Expressway. Currently, it attracts guests from Mumbai, Pune and the rest of Maharashtra and Gujarat, which are some of the more economically developed areas in India.

Mumbai is well connected to other large cities in India by air, road and rail with multiple flight options in a day. Further, Imagicaa is located in a region that experiences suitable weather throughout the year for spending a day outdoors. In addition, the majority of the rides, attractions and queuing areas in the parks are covered to avoid any inconvenience during the monsoon season.

- **Rides and Attractions of International Quality Standards which are customised to Indian tastes and preferences**

Imagicaa is attractively themed and aims to deliver high-quality entertainment, aesthetic appeal, shopping and dining options.

The Parks have been designed by internationally acclaimed design consultants. The rides and attractions for the theme park have been designed by and sourced from global industry leaders such as Bolliger & Mabillard Inc., Zamperla Asia Pacific Inc., Sally Industries Inc., E2M Technologies B.V. and Santec Fabricators (India) Private Limited, which is a part of the Sanderson Group. The water slides and equipment in the water park have been sourced from global industry leaders such as Whitewater West Industries Limited, Neptune Benson (Defender Water Filtration Systems) and Polin Dis Tic. Ltd. The Company also follows high levels of park security and safety standards to offer a safe and injury free environment for its guests to enjoy the parks.

- **Competitive advantage through entry barriers**

The Company has the opportunity to leverage the 'first-mover advantage' through Imagicaa. There are

significant barriers to entry in the business of theme and water parks in India and it is difficult to replicate a project of similar scale and size in India. Among the most important of these barriers is the need for significant capital expenditure to set up theme and water parks, the difficulty to identify and purchase large and suitable parcels of land on commercially viable terms and the long lead-time from the conceptualisation to the launch of rides and attractions. The Company believes that its location off the Mumbai - Pune Expressway, the large parcel of land owned by the Company, the rides and attractions of international quality and standards and the qualified management and operations team provide the Company with a significant competitive advantage over any new park. Further with the consolidation of park business owned by the group under single umbrella, will help to optimise the sales and reduce the cost and increase the profitability of the company.

- **A well-positioned brand and marketing focus**

In the short operational history, the Company has been able to establish strong brand recognition in Mumbai, Pune and the rest of Maharashtra and Gujarat markets. The Company believes that it has been able to achieve this through a combination of factors:

- Delivering superior visitor experiences in the parks through the diverse offerings of rides and attractions and other entertainment options and thus, developing a brand recall through word of mouth publicity;
- The Company has also actively focused on attracting school groups as the Company believes that school children who visit the parks act as the Company's brand ambassadors and have the potential of bringing the entire family back on another visit;
- Dynamic and attractive pricing strategy to coincide with various events, festivals, seasons and holidays throughout the year;
- Existing well-established position of the 'Imagicaa' brand in the media and entertainment industry; and
- Engaging with various target groups through focused marketing, consisting of regular electronic, print and digital media campaigns and direct sales efforts.

- **Strong group backing supported by proven and experienced management team**

- Malpani Group is well diversified business house active in Renewable energy, FMCG products, Amusement and Water Park, Real estate, Hotels etc. In the Parks business, the group has experience of more than 18 years in park operations as well as project expertise.
- Company's senior management team includes experienced media and entertainment, marketing and consumer businesses executives, with an average tenure of more than 15 years in such industries.
- The promoter is well settled in the field of Park operations and with the experience they hold; merging of park undertaking operated by various other group Companies or concerns and consolidating the same under single roof will boost the income/ sales and reduce the cost towards common expenditure and will have muscle to expand it foot prints to various other states nationally and internationally.

#### FINANCIAL RATIOS

The Debtor turnover ratio stood at 59.6 times the average debtors in FY24 from 63.1 times in FY23, this was due to increase in the revenue for FY24. The Inventory turnover ratio was at 4.2 times the average inventory in FY24, compared to 4.5 times the average inventory in FY23. The Interest Coverage ratio for FY24 was 22.75 times, this was at 1.62 times in FY23. The ratio improved as the EBITDA improved. The current ratio of the company was at 0.48 times in FY24 mainly due to the OCRPS which were due for conversion in FY25.

The Operating Profit Margin of the company has dropped from 54% in FY23 to 6.6% in FY24, while the Net Profit Margin has improved from 107% in FY23 to 194% in FY24, mainly due to extraordinary items during the FY23 and FY24 on account of the debt settlement with the lenders. The Debt Equity ratio improved to 0.32 times.

#### OUTLOOK AND OPPORTUNITIES

Post COVID, the demand for experiential outdoor entertainment has been on the rise. Footfall of all major parks have reached pre-pandemic levels. Demand for theme and water parks is expected to increase in India over the next few years driven by increasing disposable income, favourable

demographics, changing consumer preferences, growing affinity towards experiences, and a dearth of limited outdoor entertainment activities in cities. The state governments in the country are starting to realize the potential of amusement parks and are working with industry to implement conducive policies. The industry constantly needs to innovate and introduce fresh themes, experiences, as well as focus on stronger marketing strategies to draw larger audience.

#### Medium & Long Term Business Strategies

The Company is adopting the following business strategies to grow the business in the future:

- **Expand in newer geographies**

The company plans to expand its reach and leverage its brand to newer geographies. In line with this philosophy, the Company has already ventured to a new State i.e. Gujarat. This year, we have started operations of Aqua imagicaa, water park, in the city of Surat. Gujarat is a thriving market for water/amusement parks and there is strong brand affinity of Imagicaa/Aqua imagicaa from audiences across the state.

- **Develop Imagicaa, Khopoli, as an Integrated Holiday Destination**

Currently, a significant majority of the guests are residents of the catchment area i.e. Mumbai, Pune, rest of Maharashtra and Gujarat who make day-trips to the theme park off the Mumbai - Pune Expressway. With the launch of the hotel Novotel Imagicaa, the Company intends to market Imagicaa as a multiple day holiday destination and attract guests for a longer stay. The Company intends to offer various cost promotion and combination packages of admission tickets to its parks and stay at the hotel to take advantage of cross selling opportunities. In addition, the Company aims to market its facilities as a suitable venue for hosting wedding receptions, parties, conferences and meetings and other corporate events.

- **Continue to focus on increasing the number of guests hosted at the parks**

The Company plans to increase attendance at the parks through the following strategies:

- Increasing awareness of the parks, and 'Imagicaa' brand through effective media and marketing campaigns, aimed at various target groups including families, young kids, college students and young professionals. The Company will also continue to reach out to a greater number of schools and corporates for increasing attendance at its parks;

- By periodically introducing new attractions, differentiating experiences and enhancing service offerings, the Company believes that word of mouth is the most important marketing tool for our product and, therefore, the Company's primary business objective is to make the time spent by the guests in its parks as enjoyable as possible. The Company specifically focuses on entrance and security procedures, queue management, cleanliness, quick availability of F&B products and retail merchandise to make the guests' experiences

- **Diversify our Revenue Streams**

Sale of admission tickets comprises a significant portion of the Company's total income and going forward the Company intends to increase its non-ticketing revenue through the following strategies:

- Focus on F&B and retail & merchandise operations by targeting the per capita spending of guests. The Company believes that by providing guests additional and enhanced offerings at various price points, the Company can increase spending in its parks. The Company will continue to innovate in its F&B offerings to cater to the diverse preferences of its guests.
- Monetise the crowd movement in the parks by offering sponsorship opportunities to advertisers for special events, naming rights for the rides and attractions, partnering in destination advertising and assisting in products and brand activations;
- With the hotel, the Company intends to position Imagicaa as a destination for varying customer requirements, including for entertainment, corporate meetings and off-sites and other social events;
- The Company aims to develop an emotional connect with the guests through its brands and characters developed by the Company, which will provide the opportunities to leverage the intellectual property portfolio, and to develop new media and entertainment options and to increase the sale of consumer products, in and outside Imagicaa.

- **Increase profitability and achieve cost optimisation**

The Company believes that increased attendance at its parks and an increase in the per capita spending will allow the Company to make its business more profitable because of the relatively fixed cost-base and the high operative leverage involved in the business. The Company will continue to focus on F&B and retail and merchandise spending to improve its operating

margins. The Company shall continue to offer more dynamic pricing to account for seasonal fluctuations in attendance. The Company also aims to achieve better cost optimisation through economies of scale by measures such as company-wide and centralised procurement and sourcing strategy and integrated marketing campaigns. In addition, the Company aims to benefit from shared services such as security, ticketing, F&B and general administration of the parks.

**PARK SECURITY AND SAFETY**

The Company was awarded with an ISO certificate for Integrated Management Systems by Bureau of Indian Standards (BIS) for Imagicaa Theme Park. Following is the list of ISO certifications awarded:

- Quality Management System- IS/ISO 9001:2015
- Environmental Management System-IS /ISO 14001:2015
- Occupational Health and Safety Management system – IS/ISO 45001:2018

The Company recognises park security and safety as one of its most important focus areas in ensuring the success of the parks. The park security and safety plan is based on three principles: being proactive, the utilisation of an optimum combination of technology and manpower and meeting international standards on security and safety. Some of the key features of the security and safety plan are set out below:

- **Security Agency:** The Company has engaged one of the leading security solutions providers in India for its security needs and has developed a security plan based on a study of threats and vulnerabilities. The scope of services provided by its security solutions service provider includes the development of, setting up and operating the security infrastructure in the parks, deploying security personnel and carrying out regular training for the employees for security related issues, particularly emergency response situations.
- **Identified Perimeters and Zones:** Company has divided its parks into various layers with defined perimeters for effective monitoring and response. The Company has deployed access control measures at the identified entry and exit points to reduce trespassing and monitor crowd movement. The Company has also divided the parks into various zones to facilitate effective emergency response, evacuation and deployment of resources and manpower.
- **Command Centre:** The Company’s command centre has been planned as an integrated set-up, capable of

monitoring and controlling the management of the parks and responding to all circumstances which may have an adverse effect on guest experiences. The functions of the command centre include controlling and monitoring all access controls across the parks, including the entry and exit points and for other rides and attractions; coordinate the response to any situation that requires attention; operate the public address system which is designed for effective communication for functions such as crowd management; Company’s security infrastructure consists of necessary equipments such as metal detectors, explosive vapour and trace detectors, radio sets, forced entry resistant door system, panic buttons, hooters and retractable barriers, which have been deployed at vantage points across the parks.

- **Safety Procedures:** The most important aspect of the safety procedures is regular training and assessment of the ride operators and attendants to prevent accidents or injuries resulting from unsafe acts and conditions. In addition to monitoring for any hazard or unsafe condition, the ride operators carry out inspections at pre-designated intervals and report any unsafe condition to the maintenance department for correction. A detailed inspection and monitoring procedure is followed for some of the critical rides and attractions, such as the roller-coasters. The Company has also engaged qualified lifeguards, who are on duty during the operating hours of the water park.
- **Fire and Medical Emergency Plan:** Company also has a comprehensive fire and medical emergency response plan. The Company has installed smoke and heat detectors in its offices and indoor attractions and water sprinkler and fire hydrant systems and fire extinguishers across the parks. In addition, there is a team of fire-men stationed in the theme park throughout the operational hours. There is a medical centre in the theme park & water park including a five- bed ward, which is staffed by a team of one doctor and eight nurses to respond to any medical emergency in the theme park up to such time that the guests are moved to the nearby hospitals. There are two ambulances which are deployed in the parks throughout the operational hours.

**MAINTENANCE**

The Company’s maintenance team is responsible for the inspection, upkeep, repairs and testing of the rides and attractions. The Company has appointed a safety officer as a member of each of its parks management team to supervise the maintenance and ride operations teams, and carry out regular audits and surprise inspections.

Every ride and attraction at the parks is inspected regularly, according to daily, weekly, monthly, and annual schedules.

The Company has formulated detailed maintenance guidelines and checklists for each of its rides and attractions with the objective of ensuring that the rides and attractions are operating within the manufacturer’s criteria and that maintenance is conducted according to internal standards, industry best practice and standards, as well as the ride designer or manufacturer’s specifications. The Company has installed a networked enterprise software system which is used to plan and track all the maintenance activities. The maintenance system of some of the rides and attractions is also linked over VPN to the respective vendors to ensure effective monitoring, data sharing and resolution of issues, if any. All ride maintenance personnel are trained to perform their duties according to internal training processes, in addition to recognised industry certification programs for maintenance activities. The Company’s infrastructure maintenance function comprises upkeep, repair, preventive maintenance and improvement of the parks infrastructure.

The Company obtains safety certifications from its vendors certifying that the rides and attractions installed at the parks have been designed and manufactured in accordance with international standards such as the American Society for Testing and Materials, or the ASTM standard, the European, or the EN standard or the Deutsches Institut für Normung e.V., or the DIN standard. Company has also engaged TUV SUD South Asia Pvt. Ltd., a leading global technical services organisation to carry out inspection, testing and installations certifications for the rides and attractions. Company also periodically engage the services of third-party maintenance audit agencies to inspect the maintenance procedures.

**RISKS**

- **The business is seasonal in nature, and may be affected by weather conditions, school vacations, public holidays and weekends.**

The theme and water park industry is seasonal in nature. The parks could experience volatility in attendance as a result of school vacations, public holidays, weekends and adverse weather conditions such as excessive heat and monsoons. It is believed that attendance at the theme and water park and revenues from F&B and retail and merchandise operations is, and will continue to be, higher during school vacations, public holidays and weekends. In addition, the water park is expected to generate higher revenues in the summer months. Conversely, the Company may face a reduction in revenues during the monsoon months. Further, unfavourable weather conditions such as forecasts of excessive rainfalls or heat may reduce the attendance at the parks.

- **Company’s business and results of operations could be adversely affected by changes in public and consumer tastes or a decline in discretionary consumer spending, consumer confidence and general economic conditions.**

The success of the parks depends substantially on consumer tastes and preferences that can change in often unpredictable ways. The Company must adapt to these changes to meet consumer tastes and preferences. The Company carries out research and analysis before opening new rides and attractions and often invest substantial time and resources to gauge the extent to which these new rides and attractions will earn consumer acceptance. Further, the success depends to a significant extent on discretionary consumer spending, which is heavily influenced by general economic conditions and the availability of disposable income. Actual or perceived difficult economic conditions and inflationary periods may adversely impact park attendance figures, the frequency with which guests choose to visit the parks and guest spending patterns at the parks. Both attendance and total per capita spending at the parks are key drivers of its revenue and profitability, and reductions in either can adversely affect the business and results of operations..

- **Incidents or adverse publicity concerning the parks or the theme or the water park industry generally could harm Company’s brands or reputation as well as negatively impact the business.**

The Company’s brands and reputation are among the most important assets. The ability to attract and retain guests depends, in part, upon the external perceptions of the parks, the quality of the parks and services and performance of the operations team. The operation of the parks involves the risk of accidents, contagious, airborne or waterborne diseases and other incidents that may negatively affect guest satisfaction and the perception of the guests in relation to safety, health and security of the parks, which could negatively impact the brands and reputation and the business and results of operations.

- **Impact of Epidemics and Pandemics**

The Theme and Amusement park industry has been impacted by the recent pandemic of COVID-19. This is a new risk which has been faced by the industry. The theme park industry operates in a highly crowded environment where physical distancing may be difficult to maintain. The regulators have been targeting this industry for various restrictions, being categorised as a “non-essential” service.

**INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY**

The Company has internal controls commensurate with its size. It has also adopted standard operating procedures, policies and process guidelines. These guidelines are well documented with clearly defined authority limits corresponding with the level of responsibility for each functional area. They are designed to ensure that transactions are conducted and authorised within their framework. Further, the Company's reporting guidelines ensure that transactions are recorded and reported in conformity with generally accepted accounting principles. These guidelines are regularly reviewed and updated to meet the expectations of the current business environment. The Company's Code of Business Conduct lays down ethical standards expected from each of its personnel's and business associates in their day to-day actions. The Company's robust internal audit programme which works to conduct a risk-based audit not only tests the adherence to laid down policies and procedures but also suggests improvements in the current processes and systems. The audit program is agreed upon with the Audit Committee. Internal Audit observations and recommendations are reported to the Audit Committee, which monitors the implementation of such recommendations. Company had appointed M/s. BDO India LLP as the internal auditor during the financial year 2023-24.

**SIGNIFICANT DEVELOPMENT IN HUMAN RESOURCES**

People are one of the key and critical success factors for the Company. The Theme Park and Amusement Park industry in India is in the nascent stages. As such to find skilled manpower having experience of the industry is challenging. The company has developed a very strong on-job training and development program, which cuts across the junior team members as well as the middle management layer. The senior technical & engineering team has been trained under supervision of global experts of theme park industry. The Company engaged

these experts during the development and initial operations of the Park.

Being located in the outskirts of Mumbai and Pune, the Company needs to ensure that the employees are motivated enough to travel the distance for work. The Company provides employee friendly transport and local stay facilities for the same. Employee satisfaction is a top priority, and the Company ensures that all its employees enjoy a safe, healthy and progressive work environment at all its offices. The Company's Human Resource team works cohesively with the employees to help them in their personal as well as professional development. The Company has a well-defined Code of Conduct that guides all employees in their interaction with the various stakeholders of the Company. The Company has a unique work-culture based on team building and bonding through cross-job training.

As of March 31, 2024, the total number of permanent employees on the rolls of the Company were 602.

26. Overview of the entity's material responsible business conduct issues

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk along-with its financial implications, as per the following format

Sr. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1.	Customer experience and satisfaction	Risk	Customer satisfaction is crucial for a theme park and hotel, as it fundamentally shapes the Company's reputation and presents a significant opportunity. A negative customer experience can threaten business continuity, whereas a positive one can boost profits and enhance brand reputation. Additionally, a positive guest experience encourages repeat visits and generates strong word-of-mouth recommendations, which are powerful for attracting more guests and lowering marketing expenses.	Imagicaa prioritizes customer satisfaction from the ticket booking stage onwards. To ensure a high standard of guest experience, the Company implements the following practices: <ul style="list-style-type: none"> <li>Trained call center staff to assist and encourage park visits.</li> <li>One-on-one Guest Relations Executive (GRE) team at the park entrance.</li> <li>Security team for guest and baggage screening.</li> <li>Easy Ticket (Virtual Ticket) system for smooth entry and reduced crowding.</li> <li>Welcome performance at the entrance for a grand entry experience.</li> <li>Help desk counters at key locations for guest queries.</li> <li>Lucky draws with gifts or prizes to enhance guest excitement.</li> <li>Collecting feedback through surveys, forms, social media, and reviews to understand guest experiences comprehensively.</li> <li>Focusing on creating a journey that makes guests feel happy, satisfied, and valued, ensuring repeat visits.</li> <li>Implementing an emergency preparedness plan for handling emergencies.</li> <li>Safety evacuation layout boards/signage and designated emergency assembly points.</li> <li>Conducting Hazard Identification and Risk Assessment (HIRA) for all risk activities and implementing safety controls.</li> <li>A central safety committee, established in 2014, to address and mitigate identified hazards.</li> <li>Annual audits and certification of HSE practices by BIS as per ISO 45001:2018 standards.</li> <li>The safety regiment is available at: <a href="https://www.imagicaaworld.com/safety-and-health/">https://www.imagicaaworld.com/safety-and-health/</a></li> </ul>	Negative

2	Product Quality and Safety	Risk	Ensuring the safety of theme park rides demands significant effort, including maintenance, safety checks, repairs, and other on-site tasks. Proper precautions are essential to maintain health and safety, preventing mishaps, falls, fatalities, and injuries. Temporary employees, in particular, may be at risk due to insufficient training or experience. Failure to protect health and safety can lead to fines and penalties, with major incidents potentially causing severe injuries and legal or regulatory liabilities.	<p>Imagicaa is deeply committed to safety, implementing a comprehensive regimen and achieving notable milestones:</p> <ul style="list-style-type: none"> <li>Conducting daily safety checks on rides and attractions.</li> <li>Utilizing double safety harnesses for all rides.</li> <li>Holding an OHSMS/ISO 45001:2018 license.</li> <li>Deploying attendants and fire marshals equipped with two-way radios throughout the park.</li> <li>Successfully implementing and closing the Permit to Work (PTW) system.</li> <li>Procuring high-quality materials and equipment for rides and attractions without negligence.</li> <li>Strictly adhering to the inward vendor policy and event policy with disclaimers.</li> <li>Conducting annual and quarterly health checkups for staff to ensure optimal performance.</li> <li>Maintaining cleanliness and hygiene across the park through effective housekeeping.</li> <li>Engaging in horticulture to maintain adequate plant numbers, cool temperatures, and natural beauty in the park.</li> <li>Integrating 100% IMS standards, including Environment Management and Safety Management Systems, throughout the theme and water park facilities.</li> <li>Conducting periodic training to foster a strong safety culture.</li> <li>Providing personal protective equipment (PPE) to all employees exposed to residual risks.</li> <li>Complying with Form B for fire backup and monitoring systems.</li> <li>Installing lightning arresters to protect against lightning hazards.</li> <li>Placing fire extinguishers at every corner of rides and attractions.</li> <li>Ensuring CCTV surveillance throughout the park.</li> <li>Utilizing a public address system for emergency warnings.</li> <li>Operating a fully equipped first aid medical facility with professional doctors and nurses.</li> <li>Segregating, collecting, and securely storing e-waste and hazardous waste until it is sent to an authorized recycler.</li> </ul>	Negative

3	Energy Management	Risk	The hospitality and entertainment parks industry, particularly theme parks, is generally energy-intensive due to the need for operating rides, lighting, fireworks, and other facilities. A firm's decisions about the energy intensity of its operations and the sources of its energy can change over time, affecting its operational efficiency and risk profile.	<ul style="list-style-type: none"> <li>Imagicaa has implemented in-house green initiatives to optimize the operations of rides and attractions, thereby reducing energy consumption.</li> <li>Currently, the company has an open access power arrangement for 8 MW of renewable energy (solar and wind), fulfilling over 60% of its power needs.</li> <li>Additionally, Imagicaa is setting up an 8 MW captive solar project, expected to be completed by Q2FY25.</li> <li>The company has also installed EV charging stations for electric vehicles and motion control lights as part of its energy management efforts.</li> </ul>	Negative
4	Water and Waste Management	Risk	Waste is commonly produced through a company's operations, machinery maintenance, office work, and food disposal. Improper waste handling can lead to air pollution, climate change, and various direct and indirect environmental impacts. It also poses health and safety risks to personnel exposed to the waste. Non-compliance with waste management regulations can result in substantial fines.	<ul style="list-style-type: none"> <li>With the climate changing rapidly, proactive environmental measures are essential. This includes effective solid waste management, limiting water usage, and recycling whenever possible.</li> <li>Waste is segregated at the source using color-coded biodegradable garbage bags/bins into dry, wet, and horticulture waste.</li> <li>Highly visible waste bins are placed throughout the park in easily accessible locations to encourage use.</li> <li>Waste is collected and transported to the designated waste segregation yard.</li> <li>Wet waste is processed in the Organic Waste Converter (OWC) to produce organic manure.</li> <li>Disposal methods such as open dumping, animal feeding, and landfilling are avoided.</li> </ul>	Negative

Sr. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
5	Innovation	Opportunity	The entertainment industry can foster innovation among diverse talents. Product design and innovation help theme parks remain competitive and relevant in a constantly evolving market. By adopting new designs and technologies, theme parks can seize new market opportunities and enhance the customer experience.	The management and promoters regularly attend trade fairs and industry gatherings to connect with manufacturers, innovators, and technology providers. Additionally, they hold periodic 'think tank' sessions with senior team members and heads of departments (HODs) to brainstorm ideas and concepts for implementation across all sites.	Positive
6	Employee well-being, training and retention	Risk	High employee retention rates reflect strong company policies and practices, while high attrition rates signal low employee satisfaction to investors. Focusing on employee well-being can improve morale and reduce the costs associated with hiring and onboarding.	Imagicaa highly values its employees and puts significant effort into developing policies that benefit them. <ul style="list-style-type: none"> <li>■ The Company offers group mediclaim policies to all employees.</li> <li>■ It conducts skill development training programs for employees.</li> <li>■ Long-term service of employees is acknowledged and rewarded.</li> <li>■ Flexible working hours and work-from-home options are provided based on employee profiles.</li> <li>■ A transfer program is available for employees wishing to change their profiles.</li> </ul>	Negative

12. Describe the measures taken by the entity to ensure a safe and healthy work place.

Risk assessments are conducted based on historical events to identify and evaluate potential risks. Management then takes steps to eliminate or reduce activities that could harm or injure the team.

Engineering solutions, such as guards and interlocks, are implemented to reduce risk levels. The Safety Management System includes issuing work permits and providing job safety training. Personal protective equipment (PPE) is provided to all employees exposed to residual risks.

The Company maintains high safety standards with daily preventative checks on rides, regular reviews by the safety committee, daily inspections by IFT teams, and both scheduled and unannounced third-party audits. Routine safety audits are conducted by internationally reputed firms, and any identified gaps are promptly addressed.

All work and jobs are performed only after fully understanding the associated risks and Permit-To-Work conditions.

Several engineering control systems have been upgraded this year based on technical recommendations:

- The Tagging (Red Tag & Green Tag) system has been updated to machine-specific procedures.
- Time-limited shutdowns have been conducted for all rides to facilitate maintenance.
- The Standard Operating Procedure for maintenance work has been reviewed and updated.
- Adherence to the "Permit to Work" system with Risk Assessment for all non-routine activities is ensured, in line with the Company's safety guidelines.

PRINCIPLE 4: Businesses should respect the interests of and be responsive to all its stakeholders.

Essential Indicators

1. Describe the processes for identifying key stakeholder groups of the entity.

**Note:** Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) . If yes, name of the external agency. No

**8. Does the entity have any project related to reducing Green House Gas emission? (Yes/ No) If Yes, then provide details.**

Yes, we are undertaking a project to reduce greenhouse gas emissions at our theme park. Our comprehensive strategy promotes sustainability and utilizes renewable energy sources. We have successfully in-stalled electric vehicle charging stations throughout the park, offering ecofriendly transportation options. Additionally, we are nearing the completion of an 8MW self-contained solar facility. These initiatives will greatly reduce the park’s carbon footprint and serve as an inspiration for visitors and businesses. As the park expands, we will focus on scaling the charging infrastructure and solar installations to meet the increasing number of visitors and energy demands in the future.

**9. Provide details related to waste management by the entity, in the following format:**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

Key Audit Matter	Response to Key Audit Matter
<p><b>Disputed Dues</b></p> <p>The Company is involved in certain disputes with respect to duty of customs as detailed in Note 32 of the standalone financial statements for which final outcomes cannot be easily predicted and which could potentially result in significant liabilities. The assessment of the risks associated with the litigations is based on complex assumptions, which require the use of judgement and such judgement relates, primarily, to the assessment of the uncertainties connected to the prediction of the outcome of the proceedings and to the adequacy of the disclosures in the financial statements. Because of the judgement required, the materiality of such litigations and the complexity of the assessment process, the area was a key matter for our audit.</p>	<p>Our audit procedure in response to this key Audit Matter included, among others,</p> <ul style="list-style-type: none"> <li>Assessment of the process and relevant controls implemented to identify legal and tax litigations, and pending administrative proceedings.</li> <li>Assessment of assumptions used in the valuation of potential legal and tax risks performed by the legal and tax department of the company.</li> <li>Inquiry with the legal and tax departments regarding the status of the most significant disputes and inspection of the key relevant documentation.</li> <li>Review of the adequacy of the disclosures in the notes to the financial statements. We did not observe any material non compliances.</li> </ul>
<p><b>Deferred tax</b></p> <p>The company has recognised net deferred tax assets as at March 31, 2024 of ₹ 19,391.57 Lakhs as detailed in Note 34 of the standalone financial statements.</p>	<p>We designed our audit procedures to be responsive to this risk.</p> <p>We obtained an understanding of the process that management has implemented for accounting for deferred tax assets. We also evaluated the design and tested the operating effectiveness of controls in this area.</p>

Key Audit Matter	Response to Key Audit Matter
<p>The analysis of the recoverability of such deferred tax assets has been identified as a key audit matter because the assessment process involves judgement regarding the future profitability and the probability that future taxable profit will allow the deferred tax asset to be recovered.</p> <p>This requires assumptions regarding future profitability, which is inherently uncertain. Accordingly, the same is considered as a key audit matter.</p>	<p>We performed substantive audit procedures to validate the deferred tax balance.</p> <p>Our audit work on the recognition of deferred tax assets included:</p> <ul style="list-style-type: none"> <li>Validating the completeness and accuracy of tax attributes;</li> <li>Confirming the appropriate application of tax rules for utilizing deferred tax assets, including expiry of those attributes;</li> <li>Evaluating the Company's ability to generate sufficient taxable income to utilize deferred tax assets. This evaluation takes into account the Company's future projections; and,</li> <li>Reviewing the adequacy of the disclosures made by the company in accordance with Ind AS.</li> </ul>

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon. The other information as stated above is expected to be made available to us after the date of this Auditor's Report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information as stated above, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 on "The Auditors Responsibilities relating to Other Information".

**Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to

the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian accounting standards specified under Sec 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained

up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- As required by Section 143(3) of the Act, we report that:
  - We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
  - In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account maintained.
- In our opinion, the aforesaid financial statements comply with Ind AS specified under Section 133 of the Act.
- On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.
- With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
 

In our opinion and to the best of our information and according to the explanations given to us, the Company has not paid any managerial remuneration during the year.
- With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 32 to the Standalone Financial Statements.
  - The Company does not have any long term. Contracts for which there are any material foreseeable losses - Refer Note 50(c) of the Standalone Financial Statements.
  - There were no amounts which were required to be transferred to the Investor Education and

Protection Fund by the Company – Refer Note 50(d) of the Standalone Financial Statements.

- The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries – Refer Note 50(a) of the Standalone Financial Statements;
- The managements has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries – Refer Note 50(b) of the Standalone Financial Statements; and
- In our opinion and based on the audit procedures, we have considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

- (v) The Company has not declared or paid dividend during the year - Refer Note 50(l) to the Standalone Financial Statements.
- (vi) Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being trampled with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

## Annexure B to the Independent Auditor's Report

**Annexure referred to in our report of even date to the members of Imagicaaworld Entertainment Limited on the standalone accounts for the year ended March 31, 2024.**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Imagicaaworld Entertainment Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI).

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and

plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial

reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Notes forming part of the Standalone Financial Statements

## 1. CORPORATE INFORMATION:

Imagicaaworld Entertainment Limited ("the Company") is a public limited company incorporated and domiciled in India whose shares are publicly traded. The registered office is located at 30/31, Sangdewadi, Khopoli Pali Road, Taluka-Khalapur, District Raigad- 410203.

The Company is engaged in the business of development and operations of theme-based entertainment destinations in India, including theme parks, water parks and associated activities including retail merchandising, food and beverages, etc. The flagship project of the company is located at Khalapur, on Mumbai Pune Expressway and is branded "Imagicaa – Theme Park" for the theme park component, "Imagicaa – Water Park" for the water park component, "Imagicaa-Snow Park" for the snow park component and "Hotel Novotel- Imagicaa" for the Hotel component.

The Company had entered into the Operation and Maintenance Agreement (O&M) with Rajgreen Amusement Park Private Limited on February 21, 2023 to operate the Water Park called " Amaazia" located at Surat, in the State of Gujarat which has been renamed and rebranded in the company owned Brand name called "Aquaimagicaa".

## 2. MATERIAL ACCOUNTING POLICIES:

## 2.1 Basis of Preparation of Standalone Financial Statements:

These standalone financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. The Ind AS are prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard require a change in accounting policy hitherto in use. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

The standalone financial statements are presented in Indian Rupees ('INR'/'₹'/'Rs.')

 which is the Company's functional currency and all values are rounded to the nearest lakh, except otherwise indicated.

The Standalone financial statements for the year ended March 31, 2024 are being authorized for issue in accordance with a resolution of the directors on May 28, 2024.

## 2.2 Use of Assumptions Judgments and Estimates:

The preparation of the standalone financial statements in conformity with Ind AS requires the management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the standalone financial statements and reported amounts of revenues and expenses during the period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these standalone financial statements have been disclosed below. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the standalone financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the standalone financial statements.

## Critical accounting estimates

## (a) Impairment of non-financial assets:

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable value. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair

## Notes forming part of the Standalone Financial Statements

value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable value, the asset is considered impaired and is written down to its recoverable value.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

### (b) Defined benefit plans:

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

### (c) Fair value measurement of financial instruments:

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

### (d) Impairment of financial assets:

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

### (e) Deferred tax:

Significant judgments are involved in assessing the realizability of deferred income tax assets. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income and tax planning strategies in making this assessment.

### (f) Property, plant and equipment:

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

## 2.3 Revenue Recognition:

Revenue (other than for those items to which Ind AS 109 Financial Instruments are applicable) is measured at fair value of the consideration received or receivable. Ind AS 115, Revenue from contracts with customers, outlines a single comprehensive model of accounting for revenue arising from contracts with customers.

## Notes forming part of the Standalone Financial Statements

### The Company recognizes revenue from contracts with customers based on a five-step model as set out in Ind AS 115:

Step 1: Identify contract(s) with a customer. A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

Step 2: Identify performance obligations in the contract: performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

Step 3: Determine the transaction price: The transaction price is the amount of consideration to which the company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4: Allocate the contract price to the performance obligations in the contract: For contract that has more than one performance obligation, the Company allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation.

Step 5: Recognise revenue when (or as) the Company satisfies a performance obligation.

The Company has revenue recognition policies for its various operating segments that are appropriate to the nature of each business. The revenues are recognized when the general revenue recognition criteria as per the policy are met.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services.

The Company measures the revenues at fair value of the consideration received or receivable after taking in to account the amount of any discount or rebates allowed to the customers. The Company presents revenues net of indirect taxes collected in its statement of profit and loss.

Advances received for services and products are reported as "Advance received against sale" until all conditions for revenue recognition are met.

#### Tickets:

Revenues from theme park/water park/snow park ticket sales are recognized when the tickets are issued.

The accounting policy for recognizing revenue from sale of Open Pass/Gift Passes or Open Day Tickets with all day validity which are Non-Refundable in nature are recognized when Passes/ Tickets are utilized or expired.

#### Food/Beverages:

Revenue is recognized when food/ drinks are supplied or served or services rendered.

#### Merchandise:

Retail sales are recognized on delivery of the merchandise to the customer, when the property in goods and significant risk and rewards are transferred for a price and no effective ownership control is retained.

#### Room Revenue:

Revenue recognized upon rendering of services.

#### Barter:

When goods or services are exchanged or swapped for goods or services which are of a similar nature and value, the exchange is not regarded as a transaction which generates revenue.

When goods are sold or services are rendered in exchange for dissimilar goods or services, the exchange is regarded as a transaction which generates revenue. The revenue is measured at the fair value of the goods or services received, adjusted by the amount of any cash or cash equivalents transferred. When the fair value of the goods or services received cannot be measured reliably, the revenue is measured at the fair value of the goods or services given up, adjusted by the amount of any cash or cash equivalents transferred.

## Notes forming part of the Standalone Financial Statements

### Others:

The revenue is recognized on accrual basis and when significant risk and rewards are transferred. Profit on sale of investments is recorded on transfer of title from the Company and is determined as the difference between the sale price and carrying value of the investment. Lease rentals are recognized on a straight-line basis over the lease term.

### 2.4 Taxes on Income:

Taxes on Income comprises of current tax and deferred tax. Current tax and deferred tax are recognized in profit and loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax expense is also recognized in other comprehensive income or directly in equity, respectively.

#### Current tax:

Current tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Where there is uncertainty over income tax treatments, the Company determines the probability of the income tax authorities accepting each such tax treatment or group of tax treatments in computing the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates.

#### Deferred tax:

Deferred tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the standalone financial statements. Deferred tax assets and liabilities are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. The company recognises deferred tax asset arising from unused tax losses or tax credits only to the extent that the company has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which the unused tax losses or unused tax credits can be utilised by the company Other deferred tax assets are recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current income tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The break-up of the major components of the deferred tax assets and liabilities as at balance sheet date is arrived at after setting off deferred tax assets and liabilities where the Company have a legally enforceable right to set-off assets against liabilities and where such assets and liabilities relate to taxes on income levied by the same governing taxation laws.

### 2.5 Property, Plant and Equipment:

Property, plant and equipment represent a significant proportion of the asset base of the Company.

The cost of an item of property, plant and equipment is recognized as an asset, if and only if:

- (a) it is probable that future economic benefits associated with the item will flow to the entity; and
- (b) the cost of the item can be measured reliably.

Property, plant and equipment are stated at original cost net of tax / duty credit availed, less accumulated depreciation and accumulated impairment losses, if any. When significant parts of property, plant and equipment are required to be replaced at intervals, the Company derecognizes the replaced part and recognizes the new part with its own associated

## Notes forming part of the Standalone Financial Statements

useful life and it is depreciated accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in the statement of profit and loss as incurred.

On transition to Ind AS, the Company has elected to continue with the carrying value for all of its Property, plant and equipment recognised as at April 1, 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of the Property, plant and equipment.

Capital work in progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as "Capital Advances" under other non-current assets. Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably.

Property, plant and equipment are eliminated from standalone financial statement on disposal. Gains or losses arising from disposal of property, plant and equipment are recognized in the statement of profit and loss in the year of occurrence.

The assets' residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

Depreciation is charged on Straight Line Method over the useful life of the assets as specified in Schedule II of the Companies Act, 2013 or on the basis of useful lives of the assets as estimated by management, whichever is lower. Useful life of the assets is tabulated below.

### 2.6 Intangible Assets :

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of the asset can be measured reliably. Intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit and loss in the period in which the expenditure is incurred.

On transition to Ind AS, the Company has elected to continue with the carrying value for all of its intangible assets recognised as at April 1, 2015 measured as per the previous GAAP and use that varying value as the deemed cost of the intangible assets.

The useful lives of intangible assets are assessed as either finite or indefinite. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates.

Intangible assets with finite lives are amortised over the estimated useful economic life of the assets by using straight line method and assessed for impairment whenever there is an indication that the intangible asset may be impaired.

Intangible assets are amortized as follows:

S. No.	Nature of Asset	Estimated Useful Life
1.	Trademarks and Logos	10 Years
2.	Softwares	6 Years
3.	Films	10 Years

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

### 2.7 Impairment of Non-Current Assets :

Assets that are subject to depreciation and amortisation are reviewed for impairment, whenever events or changes in circumstances indicate that carrying amount may not be recoverable. Such circumstances include, though are not limited to, significant or sustained decline in revenues or earnings and material adverse changes in the economic environment.

An impairment loss is recognised whenever the carrying amount of an asset or its cash generating unit (CGU) exceeds its recoverable amount. The recoverable amount of an asset is the greater of its fair value less cost to sell and value in use. To calculate value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market rates and the risk specific to the asset. For an asset that does not generate largely independent cash inflows, the recoverable amount is determined for the CGU to which the asset belongs. Fair value less cost to sell is the best estimate of the amount obtainable from the sale of an asset in an arm's length transaction between knowledgeable, willing parties, less the cost of disposal. Impairment losses, if any, are recognised in the Statement of Profit and Loss and included in depreciation and amortisation expenses. After impairment (if any), depreciation/amortisation is provided on the revised carrying amount of the assets over its remaining life.

Impairment losses are reversed in the consolidated Statement of Profit and Loss only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognised.

### 2.8 Inventories :

Inventories are valued at lower of cost and net realizable value. Cost is arrived in the following manner:

Food Items	:	Weighted Average Basis
Merchandise	:	Weighted Average Basis
Consumable & Spare Parts	:	Weighted Average Basis

The cost of inventories have been computed to include all cost of purchases, cost of conversion and other related costs incurred in bringing the inventories to their present location and condition. Slow and non-moving material, obsolesces, defective inventories are valued at net realizable value. Goods and materials in transit are valued at actual cost incurred up to the date of Balance Sheet.

### 2.9 Non-Current Assets Held for Sale and Discontinued Operations:

Non-current assets and disposal groups are classified as held for sale if their carrying amounts will be recovered principally through a sale transaction rather than through continuing use. Non-current assets and disposal groups classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell. This condition is regarded as met only when the sale is highly probable and the asset or disposal group is available for immediate sale in its present condition. Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Discontinued operations are excluded from the results of continuing operations and are presented as a single amount as profit or loss after tax from discontinued operations in the statement of profit and loss.

Assets and liabilities classified as held for distribution are presented separately from other assets and liabilities in the balance sheet.

A disposal group qualifies as discontinued operation if it is a component of the Company that either has been disposed of, or is classified as held for sale, and:

- represents a separate major line of business or geographical area of operations;
- is part of a single co-ordinated plan to dispose of a separate major line of business or geographical area of operations; or
- is a subsidiary acquired exclusively with a view to resale.

The Company does not depreciate (or amortise) a non-current asset while it is classified as held for sale or while it is part of a disposal group classified as held for sale.

### 2.10 Financial Instruments:

#### (i) Financial Assets:

##### Initial recognition and measurement

All financial assets are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset except in the case of financial assets recorded at fair value through Profit and Loss. However, trade receivable that do not contain a significant financing component are measured at transaction price.

Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortised cost.

##### Subsequent measurement

For purposes of subsequent measurement financial assets are classified in two broad categories:

- Financial assets at fair value
- Financial assets at amortised cost

Where assets are measured at fair value, gains and losses are either recognised entirely in the statement of profit and loss (i.e. fair value through profit or loss (FVTPL)), or recognised in other comprehensive income (i.e. fair value through other comprehensive income).

## Notes forming part of the Standalone Financial Statements

A financial asset that meets the following two conditions is measured at amortised cost (net of any write down for impairment) unless the asset is designated at fair value through profit or loss under the fair value option.

- **Business model test:** The objective of the Company's business model is to hold the financial asset to collect the contractual cash flows (rather than to sell the instrument prior to its contractual maturity to realise its fair value changes).
- **Cash flow characteristics test:** The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset that meets the following two conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option.

- **Business model test:** The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.
- **Cash flow characteristics test:** The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Even if an instrument meets the two requirements to be measured at amortised cost or fair value through other comprehensive income, a financial asset is measured at fair value through profit or loss if doing so eliminates or significantly reduces a measurement or recognition inconsistency (sometimes referred to as an 'accounting mismatch') that would otherwise arise from measuring assets or liabilities or recognising the gains and losses on them on different bases.

All other financial asset is measured at fair value through profit or loss.

All equity investments are measured at fair value in the balance sheet, with value changes recognised in the statement of profit and loss, except for those equity investments for which the entity has elected to present value changes in 'other comprehensive income'.

If an equity investment is not held for trading, an irrevocable election is made at initial recognition to measure it at fair value through other comprehensive income with only dividend income recognised in the statement of profit and loss.

### De - recognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's statement of financial position) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either
  - (a) the Company has transferred substantially all the risks and rewards of the asset,

OR

  - (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

## Notes forming part of the Standalone Financial Statements

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

### Investment in Subsidiaries

The Company has accounted for its investment in subsidiaries at cost and the same are tested for impairment in case of any indication of impairment.

### (ii) Financial Liabilities and Equity Instruments:

#### (a) Classification as debt or equity

Financial liabilities, debts and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

#### (b) Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

#### (c) Financial liabilities

All financial liabilities are measured subsequently at amortised cost using the effective interest method or at FVTPL.

#### (d) Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the statement of profit and loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied.

### Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method.

Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

### De - recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

## Notes forming part of the Standalone Financial Statements

### (iii) Offsetting of Financial Instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

### 2.11 Impairment of Financial Asset:

In case of trade receivables and lease receivables, the Company follows a simplified approach wherein an amount equal to lifetime Expected Credit Loss (ECL) is measured and recognised as loss allowance.

In case of other assets, the Company determines if there has been a significant increase in credit risk of the financial asset since initial recognition. If the credit risk of such assets has not increased significantly, an amount equal to 12-month ECL is measured and recognised as loss allowance. However, if credit risk has increased significantly, an amount equal to lifetime ECL is measured and recognised as loss allowance.

Subsequently, if the credit quality of the financial asset improves such that there is no longer a significant increase in credit risk since initial recognition, the Company reverts to recognising impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original effective interest rate.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial asset. 12-month ECL area portion of the lifetime ECL which result from default events that are possible within 12 months from the reporting date.

ECL are measured in a manner that they reflect unbiased and probability weighted amounts determined by a range of outcomes, taking into account the time value of money and other reasonable information available as a result of past events, current conditions and forecasts of future economic conditions.

### 2.12 Provisions, Contingent Liabilities and Contingent Assets:

A provision is recognized if, as a result of a past event, the company has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Provisions are determined based on the best estimate required to settle the obligation at the balance sheet date.

A contingent liability is disclosed unless the possibility of an outflow of resources embodying economics benefits is remote. Contingent assets are not recognised in standalone financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and its recognition is appropriate.

A contingent asset is not recognized in the financial statements but is disclosed, where an inflow of economic benefits is probable.

### 2.13 Foreign Currency Transactions:

#### Functional currency

The functional currency of the Company is Indian Rupees ('INR'/'₹'/'Rs.'). These standalone financial statements are presented in Indian Rupees and the all values are rounded to the nearest Lakh, except otherwise indicated.

#### Transactions and translations

Foreign-currency denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the balance sheet date. Gains and losses, if any, at the year-end in respect of monetary assets and monetary liabilities not covered by the forward contracts are transferred to Profit & Loss Account except for

## Notes forming part of the Standalone Financial Statements

Long Term Foreign Currency Monetary Items. Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled.

Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and nonmonetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.

Revenue, expense and cash-flow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction.

### 2.14 Borrowing Cost:

Borrowing costs that are attributable to acquisition and construction of qualifying assets are capitalized till the asset is ready for its intended use, based on borrowings incurred specifically for financing the asset or the weighted average rate of all other borrowings, if no specific borrowings have been incurred for the asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. The Company has not capitalized any borrowing costs during the year.

All other borrowing costs are recognized as expenditure in the year in which they are incurred.

### 2.15 Earnings per Equity Share:

#### Basic earnings per share

Basic earnings per share are calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

#### Diluted earnings per share

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- the afterincome tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as at the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected.

### 2.16 Employee Benefit:

All employee benefits payable wholly within twelve months rendering services are classified as short-term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognised during the period in which the employee renders related service.

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered the service entitling them to the contribution.

The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method with actuarial valuations being carried out at each balance sheet date, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measure each unit separately to build up the final obligation.

## Notes forming part of the Standalone Financial Statements

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Remeasurements are not reclassified to the statement of profit and loss in subsequent periods.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

The Company recognises the following changes in the net defined benefit obligation under employee benefit expenses in the statement of profit and loss.

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements,
- Net interest expense or income.

### Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the defined benefit obligation at the balance sheet date.

### Termination benefits

Termination benefits are recognised as an expense in the period in which they are incurred.

### Employee Stock Option Scheme (ESOS)

The Company recognizes compensation expense relating to share-based payments in net profit based on estimated fair values of the stock options on the grant date. The estimated fair value of stock options is recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the requisite service period for each separately vesting portion of the stock options as if the stock option was in substance multiple stock options with a corresponding increase to share options outstanding account.

In case, the fair value of the stock options granted at the grant date cannot be estimated reliably, the options are measured at their intrinsic value, initially at the date the entity obtains the service and subsequently at the end of each reporting period and at the date of final settlement, with any change in intrinsic value recognised in profit or loss. For a grant of share options, the share-based payment arrangement is finally settled when the options are exercised, are forfeited (at upon cessation of employment) or lapse (at the end of the option's life)

### 2.17 Cash Flow Statement:

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

### 2.18 Cash and Cash Equivalents:

Cash and cash equivalents comprise cash on hand and demand deposits with banks which are short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

### 2.19 Lease:

#### Operating Lease

The Company has applied Ind AS 116 using the modified retrospective approach and therefore the comparative information has not been restated. The adoption of Ind AS 116 as on April 1, 2019 did not require any adjustments to the assets and liabilities as on that date.

## Notes forming part of the Standalone Financial Statements

### As a lessee

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. Certain lease arrangements include the option to extend or terminate the lease before the end of the lease term. The right-of-use assets and lease liabilities include these options when it is reasonably certain that the option will be exercised.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprises of fixed payments, including in-substance fixed payments, amounts expected to be payable under a residual value guarantee and the exercise price under a purchase option that the Company is reasonably certain to exercise, lease payments in an optional renewal period if the Company is reasonably certain to exercise an extension option.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if Company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

### Short-term leases and leases of low-value assets

The Company has elected not to recognise right of use assets and lease liabilities for short term leases that have a lease term of less than or equal to 12 months with no purchase option and assets with low value leases. The Company recognises the lease payments associated with these leases as an expense in statement of profit and loss over the lease term. The related cash flows are classified as operating activities.

### As a lessor

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

### 2.20 Exceptional Items:

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the standalone financial statements.

## Notes forming part of the Standalone Financial Statements

## 2.21 Current and Non-Current Classification:

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is current when it is:

- Expected to be realised or intended to sold or consumed in normal operating cycle,
- Held primarily for the purpose of trading,
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle,
- It is held primarily for the purpose of trading,
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

Deferred tax assets/liabilities are classified as non-current.

All other liabilities are classified as non-current.

## NOTE 35: IMPLEMENTATION OF RESOLUTION PLAN

- Pursuant to final approval to the Resolution Plan by the erstwhile lenders of the Company and the Shareholders of the Company in their Extra-Ordinary General Meeting held on June 10, 2022, Malpani Parks Private Limited ("MPPL" or "Acquirer"), became the successful bidder following the Swiss challenge bid process, under the Reserve Bank of India ("RBI") (Prudential Framework for Resolution of Stressed Assets) Directions, 2019 dated June 7, 2019 as amended from time to time.
- In accordance with the Resolution Plan:
  - the Acquirer had paid an amount of ₹ 41,500 Lakhs and had been allotted 27,14,19,228 equity shares of ₹ 10/- each at an issue price of ₹ 15.29 per equity share on preferential basis on June 22, 2022.
  - The Company made payment of ₹ 41,500 Lakhs to the ARC towards part payment of the Assigned Debt (which had been used by the ARC for making payment to the erstwhile lenders towards the assignment consideration).
  - The Company had issued 4,90,51,667 equity shares of ₹ 10/- each at an issue price of ₹ 15.29 per equity share towards conversion of debt of the erstwhile secured lenders into equity aggregating to ₹ 7,500 Lakhs.
  - The erstwhile lenders had transferred and assigned all their rights, title and interest in the Assigned Debt to ARC in previous year 2022-23 i.e. on June 23, 2022 by executing an Assignment Agreement in this regard. An amount of ₹ 5,000 Lakhs out of the Assigned Debt was restructured and reconstituted as the principal amount of a term credit facility of the same amount, as per the terms and conditions set out in the Debt Restructuring cum Settlement Agreement dated June 23, 2022 (DRSA). The said amount of sustainable debt i.e. ₹ 5,000 Lakhs along with interest had been paid on the due date in previous year 2022-23 i.e. December 22, 2022.

## Notes forming part of the Standalone Financial Statements

- The Company had issued 4,80,00,000 0.01% 20 years Non-Convertible Redeemable Preference Shares of ₹ 100/- each (NCRPS) aggregating to ₹ 48,000 Lakhs to the ARC in previous year 2022-23 (which have been acquired by the promoter company Malpani Parks Private Limited from the ARC in previous year 2022-23) by way of preferential allotment at par in conversion of the outstanding debt. Pursuant to the approvals of the Shareholders of the Company in the extra ordinary general meeting held on November 16, 2022, the Board of Directors of the Company at its meeting held on February 8, 2023 and the Shareholders of the Company at their meeting held on March 10, 2023, 4,80,00,000 0.01% 20 years Non-Convertible Redeemable Preference Shares (NCRPS) aggregating to ₹ 48,000 Lakhs have been converted into 0.01% 20 years Optionally Convertible Redeemable Preference Shares (OCRPS) which are convertible into equity shares at the option of the holder (subject to applicable laws) within a period of 18 months from the date of conversion of NCRPS into OCRPS, at a price of ₹ 36.81 per equity share in accordance with SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018. Accordingly, the conversion when exercised in accordance with the terms of the OCRPS on approval of the Shareholders, would result in issue of additional 13,03,99,348 equity shares to the Promoters @ ₹ 36.81 per equity share with consequent increase in the Promoter's stake to the said extent. The Company received in - principle approval from the stock exchanges for the issue of OCRPS on March 28, 2023. The said OCRPS has been credited on April 7, 2023 to the account of the holder with the reclassification date as November 16, 2022.

The Promoter company viz., Malpani Parks Private Limited (MPPL) in the Current Financial Year i.e. 2023-24 has expressed its desire to exercise the option of converting OCRPS into equity to achieve the shareholding as per the Resolution Plan. Accordingly, vide letter dated May 22, 2023 MPPL has partially exercised option to convert 2,57,67,000 OCRPS into 7,00,00,000 equity shares of the Company at the conversion price of ₹36.81 per equity share. Accordingly, the Company has made allotment of equity shares in this regards after obtaining approval from the Board on May 26, 2023.

Subsequently, in April 2024, MPPL exercised its option to convert the balance 2,22,33,000 OCRPS into 6,03,99,348 equity shares of the Company at the conversion price of ₹36.81 per equity share.

Hence after the said conversion of OCRPS the number of units balance in OCRPS/NCRPS stands to be NIL as on date of the request.

- During the year, the Company has written back the remaining amount (unsustainable portion) of the Assigned Debt of ₹ 57,176 Lakhs (after making payment of ₹ 100 Lakhs), consequent to the write off of the same by the ARC in accordance with the DRSA. The ARC vide its letter dated June 14, 2023, has confirmed that the loans have been repaid and there are no amounts outstanding against the sustainable and unsustainable portion of the debt in terms of the DRSA.
- The Company has complied with the provisions of the Companies Act, 2013, SEBI, RBI Regulations and other applicable laws and regulations for the purpose of giving effect to the terms of the Resolution Plan.

**B. Proposed Sale of Surplus Land and sale of Investment in Wholly Owned Subsidiary Company**

Further to the Resolution Plan approved, the shareholders of the Company, at its extra ordinary general meeting held on November 16, 2022, approved the sale of surplus land held by the company and Investment in its erstwhile wholly owned subsidiary, Walkwater Properties Private Limited (WPPL).

In lieu of the same the Company had entered into Share Purchase Agreement with a buyer for sale of the shares held in the aforesaid subsidiary for a total consideration of ₹ 10,600 Lakhs. Accordingly, the investment in the said subsidiary has been derecognized by the Company in the financial year 2022-23 and WPPL ceased to be subsidiary of the Company w.e.f. March 1, 2023. The Company had received ₹ 2,400 Lakhs towards cash consideration and 82,00,000 0.01% non-participating non-cumulative Non-Convertible Redeemable Preference Shares (NCRPS) of the face value of ₹ 100/- each which are redeemable within 20 years from the date of allotment, for the balance consideration of ₹ 8,200 Lakhs.

## Notes forming part of the Standalone Financial Statements

The Company had entered into agreement for sale of balance surplus land on "as is where is" basis whose original cost of acquisition is ₹ 5,800.50 Lakhs for a total consideration of ₹ 5,500 Lakhs. The Company has received ₹ 1,600 Lakhs towards cash consideration in the previous year and 39,00,000 0.01% non-participating non-cumulative non-convertible Redeemable Preference Shares (NCRPS) of the face value of ₹ 100/- each in the current year which are redeemable within 20 years from the date of allotment, for the balance consideration of ₹ 3,900 Lakhs. The difference of ₹ 300.50 Lakhs between the fair value of land and the sale consideration and the loss of sale consideration and the carrying value and loss on fair value of the said NCRPS amounting to ₹ 3,611.37 Lakhs has been accounted for as exceptional item.

During the year, the Company has transferred part of the land with consideration of ₹ 4,381 Lakhs to JBCG Advisory Services Private Limited on January 5, 2024 and the balance land is disclosed as "Non-Current Asset Held for Sale".

**NOTE 36: Provision for Tax**

The Company has unabsorbed losses/ unabsorbed depreciation under the Income Tax Act, 1961 which can be set off against the Profits of the Company. Unsustainable portion of the debt which has been written back during the year ended March 31, 2023 and March 31, 2024, had arisen on account of interest payable to the erstwhile lenders of the company in the earlier years before implementation of the Resolution Plan referred to in Note 35 hereinabove. In the Assessments for the earlier years the same was offered for tax as disallowance u/s 43B of the Income Tax Act, 1961. The Company is of the view that since the said amount has already been offered for tax, the income arising during the year on account of write back will not be subjected to income tax during the current financial year.

Considering the above, no provision for current tax has been considered necessary.

**NOTE 37: Exceptional Items**

Exceptional items for the year ended March 31, 2024 represent;

- The write back of unsustainable debt of ₹ 57,176.25 Lakhs;
- Fair value change in OCRPS aggregating to ₹ 2,457.84 Lakhs;

## NOTE 41 : Post Retirement Benefit Plans

## Defined Benefits Plan

## Gratuity

The Company provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. The gratuity plan is funded through an 'Approved Trust'. The Trust has taken a Policy from the HDFC Life Insurance and the management / investment of the fund is undertaken by the insurer.

The Company contributes all ascertained liabilities towards gratuity to the "Imagicaaworld Entertainment Limited Employee's Gratuity Trust". The Trustees administer contributions made to the trust. As of March 31, 2024, the plan assets have been primarily invested in insurer – managed funds.

The Gratuity Plan provides a lumpsum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the Company.

Liabilities with regard to the Gratuity Plan are determined by actuarial valuation, performed by an independent actuary, at each Balance Sheet date using the projected unit credit method.

The Company recognizes the net obligation of a defined benefit plan in its Balance Sheet as an asset or liability. Gains and losses through remeasurements of the net defined benefit liability/(asset) are recognized in other comprehensive income and are not reclassified to profit or loss in subsequent periods. The actual return of the portfolio of plan assets, in excess of the yields computed by applying the discount rate used to measure the defined benefit obligation is recognized in other comprehensive income. The effect of any plan amendments is recognized in net profit in the Statement of Profit and Loss.

The following table shows the Actuarial Valuation as on March 31, 2024 and amounts recognised in the standalone financial statements in respect of Employee Defined Benefit Schemes:

## NOTE 43: Fair Value Measurement

Financial Instrument by category and hierarchy

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

Fair value of cash and short-term deposits, trade and other short-term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.

Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

The fair values for Non-Current borrowings, loans and security deposits were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counter party credit risk.

## Notes forming part of the Standalone Financial Statements

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data

### NOTE 44: Financial Risk Management Objectives and Policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Management Board.

Market Risk is the risk of loss of future earning, fair values or future cash flow that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market Risk is attributable to all market risk sensitive financial instruments including investment and deposits, foreign currency receivables, payables and loans and borrowings.

The Company manages market risk through its finance department, which evaluate and exercises independent control over the entire process of market risk management. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures, borrowing strategies, and ensuring compliance with market risk limits and policies.

## Notes forming part of the Standalone Financial Statements

### Interest Rate Risk

Interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

5 years and above	-	-

### Credit Risk

Credit risk arises from the possibility that counter party may not be able to settle their obligation as agreed. To manage this, the Company periodically assesses the financial reliability of customers, taking in to account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limit are set accordingly. The maximum amount of credit risk to which the company is subject is the amount of trade receivables.

### NOTE 45: Capital Risk Management

The Company aims to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to our shareholders.

The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. The Company may take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

**INDEPENDENT AUDITOR'S REPORT**

**To The Members of Imagicaworld Entertainment Limited**

**Report on the Audit of the Consolidated Ind AS Financial Statements**

**Opinion**

We have audited the accompanying consolidated Ind AS financial statements of Imagicaworld Entertainment Limited (hereinafter referred to as the 'Holding Company') and its subsidiary (Holding Company and its subsidiary company together referred to as "the Group"), which comprise the consolidated Balance Sheet as at March 31, 2024, the consolidated Statement of Profit and Loss, consolidated Statement of Changes in Equity and the consolidated Cash Flows statement for the year then ended, and notes to the consolidated Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 "the Act" in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2024, of consolidated profit, of

consolidated comprehensive income, of consolidated changes in equity and its consolidated cash flows for the year then ended.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by ICAI and the relevant provisions of the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

Key Audit Matter	Response to Key Audit Matter
<p><b>Disputed Dues</b></p> <p>The Group is involved in certain disputes with respect to duty of customs as detailed in Note 32 to the consolidated financial statements for which final outcomes cannot be easily predicted and which could potentially result in significant liabilities. The assessment of the risks associated with the litigations is based on complex assumptions, which require the use of judgement and such judgement relates, primarily, to the assessment of the uncertainties connected to the prediction of the outcome of the proceedings and to the adequacy of the disclosures in the financial statements. Because of the judgement required, the materiality of such litigations and the complexity of the assessment process, the area was a key matter for our audit.</p>	<p>Our audit procedure in response to this key Audit Matter included, among others,</p> <ul style="list-style-type: none"> <li>• Assessment of the process and relevant controls implemented to identify legal and tax litigations, and pending administrative proceedings.</li> <li>• Assessment of assumptions used in the valuation of potential legal and tax risks performed by the legal and tax department of the group.</li> <li>• Inquiry with the legal and tax departments regarding the status of the most significant disputes and inspection of the key relevant documentation.</li> <li>• Review of the adequacy of the disclosures in the notes to the financial statements. We did not observe any material non compliances.</li> </ul>

Key Audit Matter	Response to Key Audit Matter
<p><b>Deferred tax</b></p> <p>The group has recognised net deferred tax assets as at March 31, 2024 of ₹ 19,391.57 Lakhs as detailed in Note 34 to the consolidated financial statements.</p> <p>The analysis of the recoverability of such deferred tax assets has been identified as a key audit matter because the assessment process involves judgement regarding the future profitability and the probability that future taxable profit will allow the deferred tax asset to be recovered.</p> <p>This requires assumptions regarding future profitability, which is inherently uncertain. Accordingly, the same is considered as a key audit matter.</p>	<p>We designed our audit procedures to be responsive to this risk.</p> <p>We obtained an understanding of the process that management has implemented for accounting for deferred tax assets. We also evaluated the design and tested the operating effectiveness of controls in this area.</p> <p>We performed substantive audit procedures to validate the deferred tax balance.</p> <p>Our audit work on the recognition of deferred tax assets included:</p> <ul style="list-style-type: none"> <li>Validating the completeness and accuracy of tax attributes;</li> <li>Confirming the appropriate application of tax rules for utilizing deferred tax assets, including expiry of those attributes;</li> <li>Evaluating the group's ability to generate sufficient taxable income to utilize deferred tax assets. This evaluation takes into account the group's future projections; and,</li> <li>Reviewing the adequacy of the disclosures made by the group in accordance with Ind AS.</li> </ul>

#### Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexure to Board's Report but does not include financial statements and our auditor's report thereon. The other information as stated above is expected to be made available to us after the date of this Auditor's Report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information as stated above, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 on "The Auditors Responsibilities relating to Other Information".

#### Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 (the Act) that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

#### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary company which are companies incorporated in India, have adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entity included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure

about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Other Matters

We did not audit the financial statements of the 1 wholly owned subsidiary company, whose financial information reflect total assets of ₹ 0.11 Lakhs as at March 31, 2024, total income of ₹ 0.74 Lakhs and net cash inflows amounting to ₹ 0.05 Lakhs for the year ended on that date, as considered in the consolidated financial statements. The financial statements of the subsidiary company have been audited by another auditors whose report has been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary company and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary companies are based solely on the report of the other auditor.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the report of the other auditor.

#### Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
  - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
  - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated statement of changes in equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
  - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.

e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2024 taken on record by the Board of Directors of the Holding Company and its subsidiary company incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.

f) With respect to the adequacy of internal financial controls over financial reporting of the Companies incorporated in India and included in the Group and the operating effectiveness of such controls, refer to our separate report in **Annexure**.

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the Holding Company and its subsidiary have not paid any managerial remuneration during the year.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group – Refer Note 32 of the Consolidated Financial Statements.

ii. The Group does not have any long-term contracts including derivative contracts for which there are any material foreseeable losses – Refer Note 50(c) of the Consolidated Financial Statements.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiary company incorporated in India - Refer Note 50(d) of the Consolidated Financial Statements.

iv. (a) The respective Managements of the Holding Company and its subsidiary have represented to us that, to the best of their knowledge and belief, no

funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries – Refer 50(a) of the Consolidated Financial Statements.

(b) The respective Managements of the Holding Company and its subsidiary have represented to us, that, to the best of their knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries – Refer Note 50(b) of the Consolidated Financial Statements; and

(c) In our opinion and based on the audit procedures, we have considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v. The Company has not declared or paid dividend during the year -Refer Note 50(l) of the Consolidated Financial Statements.

vi. Based on our examination, which included test checks, performed by us on the Company and its subsidiaries incorporated in India which are audited by us and based on the Audit Report of one wholly owned subsidiary audited by other auditors, the Companies in the Group have used accounting software for maintaining their respective books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being trampled with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

2. ## Annexure to the Independent Auditor's Report

**Annexure referred to in our report of even date to the members of Imagicaaworld Entertainment Limited on the consolidated Ind AS financial statements for the year ended March 31, 2024**

**Report on the Internal Financial Controls under Clause (j) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Imagicaaworld Entertainment Limited (hereinafter referred to as "the Holding Company") and its subsidiary company incorporated in India (hereinafter collectively referred to as "the Group") as of March 31, 2024.

### Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Parent and its subsidiary company which are incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Parent and its subsidiary companies which are incorporated in India.

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial

control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion to the best of our information and according to the explanations given to us, the Parent and its subsidiary company which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the criteria for internal financial control over financial reporting established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### Other Matters

Our aforesaid report under Sec 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to subsidiary company incorporated in India, is based solely on the corresponding report of the auditor of such company incorporated in India.

Our opinion is not modified in respect of the above matters.

## 2. MATERIAL ACCOUNTING POLICIES:

## 2.1 Basis of Preparation of Consolidated Financial Statements:

These consolidated financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. The Ind AS are prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard require a change in accounting policy hitherto in use.

The consolidated financial statements are presented in Indian Rupees ('INR'/'₹'/'Rs.')

 and all values are rounded to the nearest Lakh, except otherwise indicated.

The Consolidated Financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible in the same manner as the Company's separate financial statements.

In respect of the Subsidiary company, the financial statements have been consolidated on a line-by-line basis by adding together the book values of like item of assets, liabilities, incomes and expenses, after fully eliminating intra-group balances and unrealised profits/losses on intra-group transactions as per Ind as - 110 - "Consolidated Financial Statements".

The excess of cost to the Company of its investment in the Subsidiary Company over the Company's share of net assets of the Subsidiary Company is recognised in the financial statements as goodwill, which is tested for impairment at each balance sheet date. The excess of Company's share of net assets of the Subsidiary Company over the cost of acquisition is treated as capital reserve.

The results of operations of a Subsidiary are included in the Consolidated Financial Statements from the date on which the parent-Subsidiary relationship comes into existence.

The Notes and Significant Accounting Policies to the Consolidated Financial Statements are intended to serve as a guide for better understanding of the Group's position. In this respect, the Group has disclosed such notes and policies, which represent the requisite disclosure.

## Notes forming part of the Consolidated Financial Statements

All assets and liabilities have been classified as current or non-current as per the group's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the group has ascertained its operating cycle as 12 months for the purpose of current – noncurrent classification of assets and liabilities.

### 2.2 Use of Assumptions Judgments and Estimates :

The preparation of the consolidated financial statements in conformity with Ind AS requires the management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the consolidated financial statements and reported amounts of revenues and expenses during the period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these consolidated financial statements have been disclosed below. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the consolidated financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the consolidated financial statements.

#### Critical accounting estimates

##### (a) Impairment of non-financial assets:

The Group assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

##### (b) Defined benefit plans:

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

##### (c) Fair value measurement of financial instruments:

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

## Notes forming part of the Consolidated Financial Statements

##### (d) Impairment of financial assets:

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Group uses judgement in making these assumptions and selecting the inputs to the impairment calculation based on Group past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

##### (e) Deferred tax:

Significant judgments are involved in assessing the realizability of deferred income tax assets. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income and tax planning strategies in making this assessment.

##### (f) Property, plant and equipment:

Property, plant and equipment represent a significant proportion of the asset base of the Group. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Group's assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

### 2.3 Revenue Recognition:

Revenue (other than for those items to which Ind AS 109 Financial Instruments are applicable) is measured at fair value of the consideration received or receivable. Ind AS 115, Revenue from contracts with customers, outlines a single comprehensive model of accounting for revenue arising from contracts with customers.

#### The Group recognizes revenue from contracts with customers based on a five-step model as set out in Ind AS 115:

Step 1: Identify contract(s) with a customers. A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

Step 2: Identify performance obligations in the contract: performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

Step 3: Determine the transaction price: The transaction price is the amount of consideration to which the group expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4: Allocate the contract price to the performance obligations in the contract: For contract that has more than one performance obligation, the Group allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Group expects to be entitled in exchange for satisfying each performance obligation.

Step 5: Recognise revenue when (or as) the Group satisfies a performance obligation.

The Group has revenue recognition policies for its various operating segments that are appropriate to the nature of each business. The revenues are recognized when the general revenue recognition criteria as per the policy are met.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services.

The Group measures the revenues at fair value of the consideration received or receivable after taking in to account the amount of any discount or rebates allowed to the customers. The Group presents revenues net of indirect taxes collected in its statement of profit and loss.

## Notes forming part of the Consolidated Financial Statements

Advances received for services and products are reported as “Advance received against sale” until all conditions for revenue recognition are met.

### Tickets:

Revenues from theme park/water park/snow park ticket sales are recognized when the tickets are issued.

The accounting policy for recognizing revenue from sale of Open Pass/Gift Passes or Open Day Tickets with all days validity which are Non-Refundable in nature are recognized when Passes/ Tickets are utilized or expired.

### Food/Beverages:

Revenue is recognized when food/ drinks are supplied or served or services rendered.

### Merchandise:

Retail sale are recognized on delivery of the merchandise to the customer, when the property in goods and significant risk and rewards are transferred for a price and no effective ownership control is retained.

### Room Revenue:

Revenue recognized upon rendering of services.

### Barter:

When goods or services are exchanged or swapped for goods or services which are of a similar nature and value, the exchange is not regarded as a transaction which generates revenue.

When goods are sold or services are rendered in exchange for dissimilar goods or services, the exchange is regarded as a transaction which generates revenue. The revenue is measured at the fair value of the goods or services received, adjusted by the amount of any cash or cash equivalents transferred. When the fair value of the goods or services received cannot be measured reliably, the revenue is measured at the fair value of the goods or services given up, adjusted by the amount of any cash or cash equivalents transferred.

### Others:

The revenue is recognized on accrual basis and when significant risk and rewards are transferred. Profit on sale of investments is recorded on transfer of title from the Group and is determined as the difference between the sale price and carrying value of the investment. Lease rentals are recognized on a straight line basis over the lease term.

## 2.4 Taxes on Income :

Taxes on Income comprises of current tax and deferred tax. Current tax and deferred tax are recognized in profit and loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax expense is also recognized in other comprehensive income or directly in equity, respectively.

### Current tax:

Current tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Where there is uncertainty over income tax treatments, the Group determines the probability of the income tax authorities accepting each such tax treatment or group of tax treatments in computing the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates.

### Deferred tax:

Deferred tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the consolidated financial statements. Deferred tax assets and liabilities are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

## Notes forming part of the Consolidated Financial Statements

Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. The Group recognises deferred tax asset arising from unused tax losses or tax credits only to the extent that the company has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which the unused tax losses or unused tax credits can be utilised by the company Other deferred tax assets are recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current income tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The break-up of the major components of the deferred tax assets and liabilities as at balance sheet date has been arrived at after setting off deferred tax assets and liabilities where the Group have a legally enforceable right to set-off assets against liabilities and where such assets and liabilities relate to taxes on income levied by the same governing taxation laws.

## 2.5 Property, Plant and Equipment:

Property, plant and equipment represent a significant proportion of the asset base of the Group.

The cost of an item of property, plant and equipment is recognized as an asset, if and only if:

- it is probable that future economic benefits associated with the item will flow to the entity; and
- the cost of the item can be measured reliably.

Property, plant and equipment are stated at original cost net of tax / duty credit availed, less accumulated depreciation and accumulated impairment losses, if any. When significant parts of property, plant and equipment are required to be replaced at intervals, the Group derecognizes the replaced part and recognizes the new part with its own associated useful life and it is depreciated accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in the statement of profit and loss as incurred.

On transition to Ind AS, the Group has elected to continue with the carrying value for all of its Property, plant and equipment recognised as at April 1, 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of the Property, plant and equipment.

Capital work in progress includes cost of property, plant and equipment under installation / under development as at the Balance Sheet date.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as “Capital Advances” under other non-current assets. Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the group and the cost of the item can be measured reliably.

Property, plant and equipment are eliminated from consolidated financial statement on disposal. Gains or losses arising from disposal of property, plant and equipment are recognized in the statement of profit and loss in the year of occurrence.

The assets’ residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

Depreciation is charged on Straight Line Method over the useful life of the assets as specified in Schedule II of the Companies Act, 2013 or on the basis of useful lives of the assets as estimated by management, whichever is lower. Useful life of the assets is tabulated below.

**2.6 Intangible Assets:**

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the assets will flow to the Group and the cost of the asset can be measured reliably. Intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit and loss in the period in which the expenditure is incurred.

On transition to Ind AS, the Group has elected to continue with the carrying value for all of its intangible assets recognised as at April 1, 2015 measured as per the previous GAAP and use that varying value as the deemed cost of the intangible assets.

The useful lives of intangible assets are assessed as either finite or indefinite. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates.

Intangible assets with finite lives are amortised over the estimated useful economic life of the assets by using straight line method and assessed for impairment whenever there is an indication that the intangible asset may be impaired.

## Notes forming part of the Consolidated Financial Statements

Intangible assets are amortized as follows:

Sr. No.	Nature of asset	Estimated Useful Life
1.	Trademarks and Logos	10 Years
2.	Softwares	6 Years
3.	Films	10 Years

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

**2.7 Impairment of Non-Current Assets:**

Assets that are subject to depreciation and amortisation are reviewed for impairment, whenever events or changes in circumstances indicate that carrying amount may not be recoverable. Such circumstances include, though are not limited to, significant or sustained decline in revenues or earnings and material adverse changes in the economic environment.

An impairment loss is recognised whenever the carrying amount of an asset or its cash generating unit (CGU) exceeds its recoverable amount. The recoverable amount of an asset is the greater of its fair value less cost to sell and value in use. To calculate value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market rates and the risk specific to the asset. For an asset that does not generate largely independent cash inflows, the recoverable amount is determined for the CGU to which the asset belongs. Fair value less cost to sell is the best estimate of the amount obtainable from the sale of an asset in an arm's length transaction between knowledgeable, willing parties, less the cost of disposal. Impairment losses, if any, are recognised in the Statement of Profit and Loss and included in depreciation and amortisation expenses. After impairment (if any), depreciation/amortisation is provided on the revised carrying amount of the assets over its remaining life.

Impairment losses are reversed in the consolidated Statement of Profit and Loss only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognised.

**2.8 Inventories:**

Inventories including work in progress are valued at lower of cost and net realizable value. Cost is arrived in the following manner:

Food items	:	Weighted Average Basis
Merchandise	:	Weighted Average Basis
Consumable & Spare Parts	:	Weighted Average Basis

The cost of inventories have been computed to include all cost of purchases, cost of conversion and other related costs incurred in bringing the inventories to their present location and condition. Slow and non-moving material, obsolesces, defective inventories are valued at net realizable value. Goods and materials in transit are valued at actual cost incurred up to the date of balance sheet.

**2.9 Non-Current Assets Held for Sale and Discontinued Operations:**

Non-current assets and disposal groups are classified as held for sale if their carrying amounts will be recovered principally through a sale transaction rather than through continuing use. Non-current assets and disposal groups classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell. This condition is regarded as met only when the sale is highly probable and the asset or disposal group is available for immediate sale in its present condition. Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Discontinued operations are excluded from the results of continuing operations and are presented as a single amount as profit or loss after tax from discontinued operations in the statement of profit and loss.

## Notes forming part of the Consolidated Financial Statements

Assets and liabilities classified as held for distribution are presented separately from other assets and liabilities in the balance sheet.

A disposal group qualifies as discontinued operation if it is a component of the Group that either has been disposed of, or is classified as held for sale, and:

- represents a separate major line of business or geographical area of operations;
- is part of a single co-ordinated plan to dispose of a separate major line of business or geographical area of operations; or
- is a subsidiary acquired exclusively with a view to resale.

An entity shall not depreciate (or amortise) a non-current asset while it is classified as held for sale or while it is part of a disposal group classified as held for sale.

### 2.10 Financial Instruments:

#### (i) Financial Assets:

##### Initial recognition and measurement

All financial assets are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset except in the case of financial assets recorded at fair value through Profit and Loss.

Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortised cost.

##### Subsequent measurement

For purposes of subsequent measurement financial assets are classified in two broad categories:

- Financial assets at fair value
- Financial assets at amortised cost

Where assets are measured at fair value, gains and losses are either recognised entirely in the statement of profit and loss (i.e. fair value through profit or loss (FTVPL)), or recognised in other comprehensive income (i.e. fair value through other comprehensive income).

A financial asset that meets the following two conditions is measured at amortised cost (net of any write down for impairment) unless the asset is designated at fair value through profit or loss under the fair value option.

- **Business model test:** The objective of the Group's business model is to hold the financial asset to collect the contractual cash flows (rather than to sell the instrument prior to its contractual maturity to realise its fair value changes).
- **Cash flow characteristics test:** The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset that meets the following two conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option.

- **Business model test:** The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.
- **Cash flow characteristics test:** The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Even if an instrument meets the two requirements to be measured at amortised cost or fair value through other comprehensive income, a financial asset is measured at fair value through profit or loss if doing so eliminates or significantly reduces a measurement or recognition inconsistency (sometimes referred to as an 'accounting mismatch') that would otherwise arise from measuring assets or liabilities or recognising the gains and losses on them on different bases.

## Notes forming part of the Consolidated Financial Statements

All other financial asset is measured at fair value through profit or loss.

All equity investments are measured at fair value in the balance sheet, with value changes recognised in the statement of profit and loss, except for those equity investments for which the entity has elected to present value changes in 'other comprehensive income'.

If an equity investment is not held for trading, an irrevocable election is made at initial recognition to measure it at fair value through other comprehensive income with only dividend income recognised in the statement of profit and loss.

#### De - recognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Group statement of financial position) when:

- The rights to receive cash flows from the asset have expired, or
- The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either

(a) the Group has transferred substantially all the risks and rewards of the asset,

OR

(b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Group could be required to repay.

#### (ii) Financial Liabilities and Equity Instruments:

##### (a) Classification as debt or equity

Financial liabilities, debts and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

##### (b) Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

##### (c) Financial liabilities

All financial liabilities are measured subsequently at amortised cost using the effective interest method or at FVTPL.

##### (d) Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

## Notes forming part of the Consolidated Financial Statements

Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Group that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the statement of profit and loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied.

### Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method.

Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

### De - recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

### (iii) Offsetting of Financial Instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

### 2.11 Impairment of Financial Asset:

In case of trade receivables and lease receivables, the Group follows a simplified approach wherein an amount equal to lifetime Expected Cash Flow (ECL) is measured and recognised as loss allowance.

In case of other assets (listed as i and ii above), the Group determines if there has been a significant increase in credit risk of the financial asset since initial recognition. If the credit risk of such assets has not increased significantly, an amount equal to 12-month ECL is measured and recognised as loss allowance. However, if credit risk has increased significantly, an amount equal to lifetime ECL is measured and recognised as loss allowance.

Subsequently, if the credit quality of the financial asset improves such that there is no longer a significant increase in credit risk since initial recognition, the Group reverts to recognising impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original effective interest rate.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial asset. 12-month ECL are a portion of the lifetime ECL which result from default events that are possible within 12 months from the reporting date.

ECL are measured in a manner that they reflect unbiased and probability weighted amounts determined by a range of outcomes, taking into account the time value of money and other reasonable information available as a result of past events, current conditions and forecasts of future economic conditions.

## Notes forming part of the Consolidated Financial Statements

### 2.12 Provisions, Contingent Liabilities and Contingent Assets:

A provision is recognized if, as a result of a past event, the group has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Provisions are determined based on the best estimate required to settle the obligation at the balance sheet date.

A contingent liability is disclosed unless the possibility of an outflow of resources embodying economic benefits is remote. Contingent assets are not recognised in Consolidated financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and its recognition is appropriate.

A contingent asset is not recognized in the financial statements but is disclosed, where an inflow of economic benefits is probable.

### 2.13 Foreign Currency Transactions:

#### Functional currency

The functional currency of the group is Indian Rupees ('INR'/'₹'/'Rs'). These Consolidated financial statements are presented in Indian Rupees and the all values are rounded to the nearest Lakh, except otherwise indicated.

#### Transactions and translations

Foreign-currency denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the balance sheet date. Gains and losses, if any, at the year-end in respect of monetary assets and monetary liabilities not covered by the forward contracts are transferred to Profit & Loss Account except for Long Term Foreign Currency Monetary Items. Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled.

Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.

Revenue, expense and cash-flow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction.

### 2.14 Borrowing Cost:

Borrowing costs that are attributable to acquisition and construction of qualifying assets are capitalized till the asset is ready for its intended use, based on borrowings incurred specifically for financing the asset or the weighted average rate of all other borrowings, if no specific borrowings have been incurred for the asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. The Group has not capitalized any borrowing costs during the year.

All other borrowing costs are recognized as expenditure in the year in which they are incurred.

### 2.15 Earnings per Equity Share:

#### Basic earnings per share

Basic earnings per share are calculated by dividing:

- the profit attributable to owners of the Group
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

## Notes forming part of the Consolidated Financial Statements

### Diluted earnings per share

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as at the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected.

### 2.16 Employee Benefit:

All employee benefits payable wholly within twelve months rendering services are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognised during the period in which the employee renders related service.

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered the service entitling them to the contribution.

The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method with actuarial valuations being carried out at each balance sheet date, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measure each unit separately to build up the final obligation.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Remeasurements are not reclassified to the statement of profit and loss in subsequent periods.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

The Group recognises the following changes in the net defined benefit obligation under employee benefit expenses in the statement of profit and loss.

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements
- Net interest expense or income.

### Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the defined benefit obligation at the balance sheet date.

### Termination benefits

Termination benefits are recognised as an expense in the period in which they are incurred.

### Employee Stock Option Scheme (ESOS)

The Group recognizes compensation expense relating to share-based payments in net profit based on estimated fair values of the stock options on the grant date. The estimated fair value of stock options is recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the requisite service period for each separately vesting portion of the stock options as if the stock option was in substance multiple stock options with a corresponding increase to share options outstanding account.

## Notes forming part of the Consolidated Financial Statements

In case, the fair value of the stock options granted at the grant date cannot be estimated reliably, the options are measured at their intrinsic value, initially at the date the entity obtains the service and subsequently at the end of each reporting period and at the date of final settlement, with any change in intrinsic value recognised in profit or loss. For a grant of share options, the share-based payment arrangement is finally settled when the options are exercised, are forfeited (eg upon cessation of employment) or lapse (eg at the end of the option's life)

### 2.17 Cash Flow Statement:

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.

### 2.18 Cash and Cash Equivalents:

Cash and cash equivalents comprise cash on hand and demand deposits with banks which are short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

### 2.19 Lease:

#### Operating Lease

The Group has applied Ind AS 116 using the modified retrospective approach and therefore the comparative information has not been restated and continues to be reported under Ind AS 17. The adoption of Ind AS 116 as on April 1, 2019 did not require any adjustments to the assets and liabilities as on that date.

#### As a lessee

The Group recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. Certain lease arrangements include the option to extend or terminate the lease before the end of the lease term. The right-of-use assets and lease liabilities include these options when it is reasonably certain that the option will be exercised.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, Company's incremental borrowing rate. Generally, the Group uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprises of fixed payments, including in-substance fixed payments, amounts expected to be payable under a residual value guarantee and the exercise price under a purchase option that the Group is reasonably certain to exercise, lease payments in an optional renewal period if the Group is reasonably certain to exercise an extension option.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if Group changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

## Notes forming part of the Consolidated Financial Statements

## Short-term leases and leases of low-value assets

The Group has selected not to recognise right-of-use assets and lease liabilities for short term leases that have a lease term of less than or equal to 12 months with no purchase option and assets with low value leases. The Group recognises the lease payments associated with these leases as an expense in statement of profit and loss over the lease term. The related cash flows are classified as operating activities.

## As a lessor

Lease income from operating leases where the Group is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

## 2.20 Exceptional Items:

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Group is such that its disclosure improves the understanding of the performance of the Group, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the consolidated financial statements.

## 2.21 Current and Non-Current Classification:

The Group presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is current when it is:

- Expected to be realised or intended to sold or consumed in normal operating cycle,
- Held primarily for the purpose of trading,
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle,
- It is held primarily for the purpose of trading,
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

Deferred tax assets/liabilities are classified as non-current.

All other liabilities are classified as non-current.

## NOTE 35: IMPLEMENTATION OF RESOLUTION PLAN

- a. Pursuant to final approval to the Resolution Plan by the erstwhile lenders of the Company and the Shareholders of the Company in their Extra-Ordinary General Meeting held on June 10, 2022, Malpani Parks Private Limited ("MPPL" or "Acquirer"), became the successful bidder following the Swiss challenge bid process, under the Reserve Bank of India ("RBI") (Prudential Framework for Resolution of Stressed Assets) Directions, 2019 dated June 7, 2019 as amended from time to time.
- b. In accordance with the Resolution Plan:
  - i. the Acquirer had paid an amount of ₹ 41,500 Lakhs and had been allotted 27,14,19,228 equity shares of ₹ 10/- each at an issue price of ₹ 15.29 per equity share on preferential basis on June 22, 2022.
  - ii. The Company made payment of ₹ 41,500 Lakhs to the ARC towards part payment of the Assigned Debt (which had been used by the ARC for making payment to the erstwhile lenders towards the assignment consideration).
  - iii. The Company had issued 4,90,51,667 equity shares of ₹ 10/- each at an issue price of ₹ 15.29 per equity share towards conversion of debt of the erstwhile secured lenders into equity aggregating to ₹ 7,500 Lakhs.
  - iv. The erstwhile lenders had transferred and assigned all their rights, title and interest in the Assigned Debt to ARC in previous year 2022-23 i.e. on June 23, 2022 by executing an Assignment Agreement in this regard. An amount of ₹ 5,000 Lakhs out of the Assigned Debt was restructured and reconstituted as the principal amount of a term credit facility of the same amount, as per the terms and conditions set out in the Debt Restructuring cum Settlement Agreement dated June 23, 2022 (DRSA). The said amount of sustainable debt i.e. ₹ 5,000 Lakhs along with interest had been paid on the due date in previous year 2022-23 i.e. December 22, 2022.

## Notes forming part of the Consolidated Financial Statements

- v. The Company had issued 4,80,00,000 0.01% 20 years Non-Convertible Redeemable Preference Shares of ₹ 100/- each (NCRPS) aggregating to ₹ 48,000 Lakhs to the ARC in previous year 2022-23 (which have been acquired by the promoter company Malpani Parks Private Limited from the ARC in previous year 2022-23) by way of preferential allotment at par in conversion of the outstanding debt. Pursuant to the approvals of the Shareholders of the Company in the extra ordinary general meeting held on November 16, 2022, the Board of Directors of the Company at its meeting held on February 8, 2023 and the Shareholders of the Company at their meeting held on March 10, 2023, 4,80,00,000 0.01% 20 years Non-Convertible Redeemable Preference Shares (NCRPS) aggregating to ₹ 48,000 Lakhs have been converted into 0.01% 20 years Optionally Convertible Redeemable Preference Shares (OCRPS) which are convertible into equity shares at the option of the holder (subject to applicable laws) within a period of 18 months from the date of conversion of NCRPS into OCRPS, at a price of ₹ 36.81 per equity share in accordance with SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018. Accordingly, the conversion when exercised in accordance with the terms of the OCRPS on approval of the Shareholders, would result in issue of additional 13,03,99,348 equity shares to the Promoters @ ₹ 36.81 per equity share with consequent increase in the Promoter's stake to the said extent. The Company received in - principle approval from the stock exchanges for the issue of OCRPS on March 28, 2023. The said OCRPS has been credited on April 7, 2023 to the account of the holder with the reclassification date as November 16, 2022.

The Promoter company viz., Malpani Parks Private Limited (MPPL) in the Current Financial Year i.e. 2023-24 has expressed its desire to exercise the option of converting OCRPS into equity to achieve the shareholding as per the Resolution Plan. Accordingly, vide letter dated May 22, 2023 MPPL has partially exercised option to convert 2,57,67,000 OCRPS into 7,00,00,000 equity shares of the Company at the conversion price of ₹ 36.81 per equity share. Accordingly, the Company has made allotment of equity shares in this regards after obtaining approval from the Board on May 26, 2023.

Subsequently, in April 2024, MPPL exercised its option to convert the balance 2,22,33,000 OCRPS into 6,03,99,348 equity shares of the Company at the conversion price of ₹ 36.81 per equity share.

Hence after the said conversion of OCRPS the number of units balance in OCRPS/NCRPS stands to be NIL as on date of the request.

- vi. During the year, the Company has written back the remaining amount (unsustainable portion) of the Assigned Debt of ₹ 57,176 Lakhs (after making payment of ₹ 100 Lakhs), consequent to the write off of the same by the ARC in accordance with the DRSA. The ARC vide its letter dated June 14, 2023, has confirmed that the loans have been repaid and there are no amounts outstanding against the sustainable and unsustainable portion of the debt in terms of the DRSA.
- c. The Company has complied with the provisions of the Companies Act, 2013, SEBI, RBI Regulations and other applicable laws and regulations for the purpose of giving effect to the terms of the Resolution Plan.

## B. Proposed Sale of Surplus Land and sale of Investment in Wholly Owned Subsidiary Company

Further to the Resolution Plan approved, the shareholders of the Company, at its extra ordinary general meeting held on November 16, 2022, approved the sale of surplus land held by the company and Investment in its erstwhile wholly owned subsidiary, Walkwater Properties Private Limited (WPPL).

In lieu of the same the Company had entered into Share Purchase Agreement with a buyer for sale of the shares held in the aforesaid subsidiary for a total consideration of ₹ 10,600 Lakhs. Accordingly, the investment in the said subsidiary has been derecognized by the Company in the financial year 2022-23 and WPPL ceased to be subsidiary of the Company w.e.f. March 1, 2023. The Company had received ₹ 2,400 Lakhs towards cash consideration and 82,00,000 0.01% non-participating non-cumulative Non-Convertible Redeemable Preference Shares (NCRPS) of the face value of ₹ 100/- each which are redeemable within 20 years from the date of allotment, for the balance consideration of ₹ 8,200 Lakhs.

## Notes forming part of the Consolidated Financial Statements

The Company had entered into agreement for sale of balance surplus land on "as is where is" basis whose original cost of acquisition is ₹ 5,800.50 Lakhs for a total consideration of ₹ 5,500 Lakhs. The Company has received ₹ 1,600 Lakhs towards cash consideration in the previous year and 39,00,000 0.01% non-participating non-cumulative non-convertible Redeemable Preference Shares (NCRPS) of the face value of ₹ 100/- each in the current year which are redeemable within 20 years from the date of allotment, for the balance consideration of ₹ 3,900 Lakhs. The difference of ₹ 300.50 Lakhs between the fair value of land and the sale consideration and the loss of sale consideration and the carrying value and loss on fair value of the said NCRPS amounting to ₹ 3,611.37 Lakhs has been accounted for as exceptional item.

During the year, the Company has transferred part of the land with consideration of ₹ 4,381 Lakhs to JBCG Advisory Services Private Limited on January 5, 2024 and the balance land is disclosed as "Non-Current Asset Held for Sale".

**NOTE 36: Provision for Tax**

The Company has unabsorbed losses/ unabsorbed depreciation under the Income Tax Act, 1961 which can be set off against the Profits of the Company. Unsustainable portion of the debt which has been written back during the year ended March 31, 2023 and March 31, 2024, had arisen on account of interest payable to the erstwhile lenders of the company in the earlier years before implementation of the Resolution Plan referred to in Note 35 hereinabove. In the Assessments for the earlier years the same was offered for tax as disallowance u/s 43B of the Income Tax Act, 1961. The Company is of the view that since the said amount has already been offered for tax, the income arising during the year on account of write back will not be subjected to income tax during the current financial year.

Considering the above, no provision for current tax has been considered necessary.

**NOTE 37: Exceptional Items**

Exceptional items for the year ended March 31, 2024 represent:

- The write back of unsustainable debt of ₹ 57,176.25 Lakhs;
- Fair value change in OCRPS aggregating to ₹ 2,457.84 Lakhs;
- Difference between fair value and carrying value of surplus land held for sale aggregating to ₹ 300.50 Lakhs;
- Fair value change in NCRPS aggregating to ₹ 3,507.43 Lakhs;
- For Financial Year 2022-23 the write back of ₹ 5,767.46 Lakhs.

## NOTE 41: Post Retirement Benefit Plans

## Defined Benefits Plan

## Gratuity

The Group provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. The gratuity plan is funded through an 'Approved Trust'. The Trust has taken a Policy from the HDFC Life Insurance and the management / investment of the fund is undertaken by the insurer.

The Group contributes all ascertained liabilities towards gratuity to the "Imagicaaworld Entertainment Limited Employee's Gratuity Trust". The Trustees administer contributions made to the trust. As of March 31, 2024, the plan assets have been primarily invested in insurer – managed funds.

The Gratuity Plan provides a lumpsum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the Company.

Liabilities with regard to the Gratuity Plan are determined by actuarial valuation, performed by an independent actuary, at each Balance Sheet date using the projected unit credit method.

The Group recognizes the net obligation of a defined benefit plan in its Balance Sheet as an asset or liability. Gains and losses through remeasurements of the net defined benefit liability/(asset) are recognized in other comprehensive income and are not reclassified to profit or loss in subsequent periods. The actual return of the portfolio of plan assets, in excess of the yields computed by applying the discount rate used to measure the defined benefit obligation is recognized in other comprehensive income. The effect of any plan amendments is recognized in net profit in the Statement of Profit and Loss.

The following table shows the Actuarial Valuation as on March 31, 2024 and amounts recognised in the standalone financial statements in respect of Employee Defined Benefit Schemes:

## NOTE 43: Fair Value Measurement

## Financial Instrument by category and hierarchy

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

Fair value of cash and short-term deposits, trade and other short-term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.

Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

The fair values for Non-Current borrowings, loans and security deposits were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counter party credit risk.

The Group uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data

## NOTE 44: Financial Risk Management Objectives and Policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Management Board.

Market Risk is the risk of loss of future earning, fair values or future cash flow that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market Risk is attributable to all market risk sensitive financial instruments including investment and deposits, foreign currency receivables, payables and loans and borrowings.

The Group manages market risk through its finance department, which evaluate and exercises independent control over the entire process of market risk management. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures, borrowing strategies, and ensuring compliance with market risk limits and policies.

## Interest Rate Risk

Interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

## Exposure to interest rate risk

## Foreign Currency Risk

The Group is not exposed to significant foreign currency risk as at the respective reporting dates.

## Liquidity Risk

Liquidity Risk is defined as the risk that the Group will not be able to settle or meet its obligations on time or at a reasonable price. The Company's finance department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity through rolling forecasts on the basis of expected cash flows.

## Credit Risk

Credit risk arises from the possibility that counter party may not be able to settle their obligation as agreed. To manage this, the Company periodically assesses the financial reliability of customers, taking in to account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limit are set accordingly. The maximum amount of credit risk to which the company is subject is the amount of trade receivables.

## NOTE 45: Capital Risk Management

The Group aims to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to our shareholders.

The capital structure of the Group is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. The Group may take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD\_RTAMB/P/CIR/2022/8 dated January 25, 2022, has mandated that the service requests received for Issuance of Duplicate Share Certificate, Release of Shares from Unclaimed Suspense Account of the Company, Renewal/ Exchange of Share Certificate, Endorsement, Sub-division/ Splitting of Share Certificate, Consolidation of Folios/ Share Certificates, Transmission and Transposition shall be processed by issuing shares in dematerialized form only and physical Share Certificates shall not be issued by the Company to the Member/Claimant. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR - 4, the format of which is available on the Company's website i.e. [www.imagicaaworld.com](http://www.imagicaaworld.com).
  7. SEBI vide its Notification dated January 24, 2022 has mandated that all requests for transfer of securities including transmission and transposition requests shall be processed only in dematerialized form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialisation, Members are advised to dematerialise the shares held by them in physical form.
  8. As per the provisions of Section 72 of the Act and SEBI Circular, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. If a Member desires to opt out or cancel the earlier nomination and record a fresh nomination, he/ she may submit the same in Form ISR-3 or SH-14 as the case may be. The said forms can be downloaded from the Company's or RTA's website. Members are requested to submit the said details to their DP in case the shares are held by them in dematerialized form and to RTA in case the shares are held in physical form.
  9. SEBI, vide its various circulars, has established a common Online Dispute Resolution Portal ("ODR Portal") for resolution of disputes arising in the Indian Securities Market. Pursuant to this, post exhausting the option to resolve their grievance with the RTA/Company directly and through existing SCORES platform, the investors can initiate dispute resolution through the ODR Portal (<https://smartodr.in/login>) which is also available on the Company's website i.e. [www.imagicaaworld.com](http://www.imagicaaworld.com).
  10. Members attending the meeting through VC/OAVM shall be counted for the purposes of reckoning the quorum under Section 103 of the Act.
  11. In terms of Section 152 of the Act Mr. Rajesh Malpani (DIN: 01596468) is liable to retire by rotation at this AGM and being eligible, offers himself for re-appointment.
  12. Details of the Director pursuant to Regulation 36(3) of SEBI Listing Regulations and Secretarial Standard - 2 on General Meetings in respect of the Director seeking re-appointment of Directorship at this AGM are appended to this Notice.
  13. An explanatory statement relating to item no. 3 of ordinary Business to be transacted at the AGM is annexed hereto.
  14. Members may note that relevant documents referred to in the Notice and other documents as required under applicable laws shall be made available for inspection in accordance with applicable statutory requirement based on request received by the Company at [compliance@imagicaaworld.com](mailto:compliance@imagicaaworld.com).
  15. Process and manner for Members opting for voting through electronic means:
    - a. Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended from time to time, Secretarial Standard on General Meetings ("SS-2") issued by the Institute of Company Secretaries of India ("ICSI") and Regulation 44 of the SEBI Listing Regulations read with MCA Circulars and SEBI Circulars, the Company is providing remote e-voting facility to its Members in respect of the business to be transacted at the AGM and facility for those Members participating in the AGM to cast vote through e-voting system during the AGM.
